

LANGARA PROGRAMS

VANCOUVER
COMMUNITY
COLLEGE

LANGARA CAMPUS

100 West 49th Avenue, Vancouver, B.C. V5Y 2Z6 324-5511

APPLICATION INFORMATION

LANGARA CAMPUS

One of Vancouver Community College's three campuses, Langara offers a wide array of academic university transfer courses as well as over 20 employment oriented Career Programs. The Arts and Science (Academic) programs comprise first and second year university level courses, most of which are acceptable for credit at the province's three public universities. Career Programs are further described inside these pages.

ENTRANCE REQUIREMENTS

CITIZENSHIP CATEGORY

Canadian Citizen or Permanent Resident (Landed Immigrant) status is required.

(International Students may apply to attend on a full cost-recovery basis. For information contact:

International Student Office
VCC - King Edward Campus
1155 E. Broadway, P.O. Box 24700, Stn. "C"
Vancouver, B.C. V5T 4N3
Phone 875-8233)

ENGLISH LANGUAGE PROFICIENCY

You must possess a level of English sufficient to support studies at Langara. Should you not, you may be first referred to King Edward Campus for English Assessment and perhaps assigned to an English upgrading course.

EDUCATIONAL BACKGROUND

THE FOLLOWING CATEGORIES ARE CONSIDERED FOR ADMISSION:

- 1. Regular - B.C. Grade 12 completion (as defined by the Ministry of Education) or its equivalent from another province or country.
- 2. Conditional - An applicant, just leaving Grade 12, short of graduation by no more than two (2) courses, may be considered for admission in this category. The applicant must complete the shortfall within one year. Until this is complete, the applicant will be required to take a reduced course load.
- 3. Dean's Admission (Mature Student)

Admissibility is adjudicated by the Counselling Department based on age, work experience, and academic potential.

EDUCATIONAL DOCUMENTS

Before a final decision is made on admission, applicants are required to provide a copy of secondary school grades and/or other documents. (See Application Procedures for details of submission.)

LANGUAGE PROFICIENCY INDEX (LPI)

- 1. All Langara Campus Career Programs require English or Communication courses as part of their curriculum. You must write the LPI several months prior to registration. The results may be needed in determining acceptability.
- 2. The LPI must be written by an Arts and Science Langara student who intends to enroll in an English Department course. Depending on test results placement may be in a college or pre-college level English course.
- 3. The LPI is conducted several times a year and pre-registration is required. Contact your school counsellor or the Langara Counselling Department for further information.

MATHEMATICS AND COMPUTER SCIENCE DIAGNOSTIC TESTS

Students wishing to take specific academic Mathematics and Computer Science courses may be required to write a diagnostic placement test prior to registration.

These tests are free and should be written well before registration.

For further information, please contact the Langara Campus Counselling Department at 324-5221.

ARTS AND SCIENCE PROGRAMS

APPLICATION FORMS

- 1. For transfer courses and for enrollment in "independent" or general education courses, use an "Academic" (Arts & Science) application form.
- 2. Application forms can be obtained from and returned to the Langara Counselling Department in person or by mail.
- 3. At early application time printed course planning information is distributed. Secondary school applicants are encouraged to attend a Langara course planning group session. In addition, an applicant may make an appointment to see a Langara counsellor in order to discuss course choices and other questions.

EARLY SEPTEMBER APPLICATIONS BY OTHER APPLICANTS

- 1. Completed applications can be submitted as early as February 15th. As necessary, secondary school completion records and any post-secondary education records should also be submitted.
- 2. Immediately, a September Term registration number is assigned and released to applicant.
- 3. At application time printed course planning information is distributed. Further, an applicant can attend scheduled course planning group sessions and/or make an appointment to see a counsellor.

JANUARY AND MAY TERM APPLICATIONS

- 1. Completed application forms can be submitted as early as October 15th and February 15th, respectively.
- 2. (Further procedure the same as above.)

COUNSELLING DEPARTMENT

The Counselling Department provides confidential counselling to students attending Langara Campus and to persons planning to enrol. Students may request service in the form of admissions assistance, course planning, career or vocational guidance, or personal counselling. In addition to regular academic advising and counselling services, the department provides occupational information, maintains a collection of university and college calendars, and conducts personal development and study skills workshops. Counsellors are available from 9:00 a.m. to 7:00 p.m. Monday to Thursday, and from 11:00 a.m. to 4:30 p.m. on Fridays. For an appointment please phone 324-5505.

FOR FURTHER INFORMATION

Call the Counselling Department at 324-5221 or drop in during the hours given above. The Langara Campus mailing address is:
Vancouver Community College
Langara Campus
100 W. 49th Ave., Vancouver, B.C. V5Y 2Z6

CAREER PROGRAMS

APPLICATION FORMS

- 1. Specific program forms can be obtained from the Langara Counselling Department in person or by mail.
- 2. Secondary school counselling offices should have a quantity of mail order request forms for the use of students.

PROCEDURE

- 1. Early application is strongly recommended as all these programs have limited enrollment.
- 2. Applications can be submitted as early as 10 months ahead of program starting date. Most career programs start once a year in September. (For the three exceptions, see program descriptions inside.)
- 3. Please read and follow calendar-stated program admission requirements, obtain and complete application form attachments, and submit requested documents.
- 4. Acknowledgement of application submission and notification of future steps such as interviews, testing, auditions, etc., will be mailed to you.
- 5. Grade 12 enrolled students can apply for Career programs: choose programs; submit appropriate applications; and attach a copy of Grade 11 marks and Grade 12 marks to date. As soon as possible, submit a copy of your graduation results.

COUNSELLING

Counsellors are available throughout the year for consultation about Career programs and about the entry and application process.

APPLICATION INFORMATION

Fine Arts, Theatre and Communication

Art in Merchandising

This two-year (four-term) diploma program prepares students for a career in display and visual retail merchandising. Each term, the student will take separate studios in Display, Graphics and Interior, in addition to several related, prescribed academic courses.

1. Grade 12 completion or mature student status with demonstrated ability to succeed in college level academic courses. Must include Algebra XI or alternative subjects.
2. Acceptable portfolio of artwork.
3. Successful admission interview.

1. This program starts every September.
2. Applications are accepted as of November 1 and early application is encouraged.

Fine Arts

This two-year (four-term) diploma program provides foundation training for employment opportunities and also provides students with credits that can be transferred to universities and art schools in British Columbia. This program emphasizes studio art.

1. Grade 12 completion or mature student status.
2. Acceptable portfolio.
3. Successful admission interview.

1. This program is university transferrable.
2. This program starts every September.
3. Applications are accepted as of November 1 and early application is encouraged.

Journalism (Diploma Program)

This two-year (four-term) diploma program prepares students for a career in journalism, including community papers, dailies, magazines, and provides a basis for those wanting to get into broadcast journalism. Students learn by running and publishing the program's weekly newspaper.

1. Grade 12 completion or mature student status.
2. High level of achievement in English or writing.
3. Type at least 40 words per minute.
4. Successful performance on an English usage test.
5. Successful admission interview.
6. Experience in school newspaper or media is helpful.

1. This program starts every September.
2. Applications are accepted as of November 1 and early application is encouraged.

Journalism (Certificate Program)

Goals are the same as the Diploma program, but this accelerated program is designed for persons with extensive post-secondary background.

1. University degree considered appropriate to journalism preferred.
2. Successful performance on English usage test.
3. Successful admission interview.
4. Experience in school newspaper or media is helpful.

1. This program starts every September.
2. Applications are accepted as of November 1 and early application is encouraged.

Professional Photography Program

This two-year (four-term) diploma program prepares students for a variety of photography careers from commercial photography to quality control of photographic processes. Assignments involve laboratory and studio work.

1. Grade 12 completion or mature student status.
2. Minimum of Physics XI and Algebra XI with "C" grades or Consumer Math (C+ or better).
3. Portfolio.
4. Successful admission interview.

1. This program starts every September.
2. Applications are accepted as of November 1 and early application is encouraged.

Theatre Arts

This two-year (six-term) diploma program prepares students for a professional career in theatre. The first year is devoted to class work in acting, voice, movement, and theatre skills. In the second year, students perform in Studio 58 productions. There is also a four-term production option offered.

1. Grade 12 completion or mature student status.
2. Life experience beyond the high school level.
3. Performing experience.
4. Successful audition.

1. A maximum of 16 students are accepted each January, May and September.
2. Students may submit applications throughout the year. Auditions are scheduled 6 months prior to entry date.

Community Services & Nursing

Court Reporter

This twenty-month (five consecutive terms) diploma program prepares graduates for careers in court reporting. Using machine shorthand and computer assisted transcription, successful graduates will be able to record verbatim court and other proceedings at the rate of 200 words per minute.

1. Grade 12 completion or mature student status.
2. Type at least 40 words per minute.
3. Successful performance on typing, English and spelling tests.

1. This program starts every September.
2. Applications are accepted as of November 1 and early application is encouraged.

Criminal Justice

This two-year (four-term) diploma program provides preliminary training for those intending to pursue a career with municipal police forces, the R.C.M.P., or other law-enforcement or security related services.

1. Grade 12 completion or mature student status.
2. Successful admission interview.
3. Successful performance on the Language Proficiency Index.

1. The Language Proficiency Index results must be submitted before May 1. Therefore students should register for the test well in advance of this time.
2. Applications are accepted as of November 1 and early application is encouraged.

Early Childhood Education

This one-year certificate program prepares graduates to work in pre-schools, day-care centres, privately-operated nursery schools, and other child-minding services. Graduates will meet the requirements of the Community Childcare Facilities Licensing Board.

1. Grade 12 completion or mature student status.
2. Good Health.
3. Two letters of reference.
4. Current work experience with groups of pre-school age children.

1. This program starts in September.
2. Applications are accepted as of November 1 and early application is encouraged.

Early Childhood Education:

Special Ed. Post-Basic Certificate Program

The program is designed to meet the requirements for the Community Childcare Facilities Licensing Board. Early Childhood Educator Special Education Credential.

1. Valid Early Childhood Educator's Credential or the equivalent.

1. This program starts every September.
2. Applications are accepted as of November 1 and early application is encouraged.

Food Services Supervisor/Technician Program

This twenty-one month (five consecutive term) diploma program prepares graduates for middle management positions in institutional food service departments. Theory and practical work includes food preparation, normal and therapeutic nutrition and food service management.

1. Grade 12 completion or mature student status.
2. Successful admission interview.
3. Successful performance on the Language Proficiency Index.
4. A medical report to attest to acceptable physical and mental health.
5. Work experience in food service and/or health care.

1. New classes commence at eight month intervals. Contact Counselling Office for the next starting date.
2. Admission interviews are conducted three to four months prior to the next intake.
3. Applications and LPI results are accepted throughout the year.
4. The medical report must be submitted prior to registration.

Library Technician

This two-year (four-term) program prepares students for paraprofessional and clerical duties in libraries. Work is usually done under supervision of a professional librarian, although library technicians sometimes work on their own in small libraries.

1. Grade 12 completion or mature student status.
2. Successful performance on related aptitude tests.
3. Successful admission interview.

1. This program starts every September.
2. Applications are accepted as of November 1 and early application is encouraged.

Special Education Assistant

This one-year (two-term) certificate program prepares graduates to assist special education teachers in working with special needs children. Physical and learning disabled, mentally and multi-handicapped children are studied both theoretically and practically.

1. Grade 12 completion or mature student status with demonstrated ability to succeed in college level academic courses.
2. Current paid or volunteer experience in the special education field supported by letters of reference.
3. Good health, including a strong back.
4. Successful performance on the Language Proficiency Index for entry into English 127.
5. Successful admission interview.

1. This program starts every September.
2. Applications are accepted as of November 1 and early application is encouraged.
3. The Language Proficiency Index results must be available at the time of the interview. Therefore, students should register for the test well in advance.

Social Service Worker

This one-year (nine-month) certificate program focuses on theory and practice in the delivery of basic social services. It consists of two four-month terms and a five-week practicum.

1. Grade 12 completion or mature student status with demonstrated ability to succeed in college level academic courses.
2. Current paid or volunteer experience in the social service field.
3. Reference letters, one of which must be from the paid or volunteer experience in the social service field.
4. Candidates must be in good health.
5. Candidates must be mature and emotionally stable in dealing with a wide spectrum of people.
6. Valid British Columbia driver's license.
7. Successful admission interview.

1. This program starts every September.
2. Applications are accepted as of November 1 and early application is encouraged.

Nursing

This two-year (six-term) program prepares students to practice as Registered Nurses. Graduates will be eligible to apply to the Registered Nurses Association of B.C. to write the registration examinations. Nurses from this program are eligible to apply for entrance into the third year of the Bachelor of Science in Nursing program at the University of B.C. and the University of Victoria. Advanced placement in the nursing program is available to Licensed Practical nurses and Psychiatric nurses, upon completion of pre-requisites and a 45-hour introductory course.

1. Grade 12 completion or mature student status.
2. Chemistry 11 and Biology 11 and Algebra 11 - C+ or better.
3. Successful performance on Mathematics and English screening tests, and the Language Proficiency Index.
4. Standard First Aid & CPR Basic Rescuer Level C Certificates.
5. Medical to prove physical & emotional health.
6. Successful admission interview & 2 reference letters.

1. Students begin the program in January, May and September of each year.
2. Students may submit applications throughout the year. Admission tests and interviews are scheduled regularly.

PROGRAM DESCRIPTION

PREREQUISITES

APPLICATION INFORMATION

P.E. and Recreation

Recreation Leadership

This two-year (four-term) diploma program trains graduates in the management and operation of municipal recreation programs and activities, private organizations such as Y.M.C.A.'s and Boys and Girls Clubs, and commercial fitness and leisure facilities.

1. Grade 12 completion or mature student status.
2. Previous recreational and community leadership experience.
3. Minimum of four letters of reference related to recreation leadership.
4. Successful admission interview.

1. This program starts every September.
2. Applications are accepted as of November 1 and early application is encouraged.
3. The application deadline is April 30 for September commencement.

Recreation Facilities Management

This two year (four-term) diploma program trains graduates in the design, management, and operational aspects of various Recreational Facilities (eg. ice skating arenas, swimming pools, golf courses, ski hills, fitness centres, etc.). The courses focus on accounting, food and beverage operations, physical plant maintenance, staffing, recreation programming, management, and philosophy.

1. Grade 12 completion or mature student status.
2. Previous recreation experience helpful.
3. Minimum of four letters of reference related to their recreation experiences.
4. Algebra 11, and Physics 11 or approval of the Program Co-ordinator.
5. Successful admission interview.

1. This program starts every September.
2. Applications are accepted as of November 1st and early application for the following year is encouraged.

Business Administration / Computer Technology

Accounting

This two year (four-term) diploma program provides preparatory training for students interested in accounting occupations in business, industry and government. Course credit may also be transferred to professional accountancy programs offered by the Certified General Accountants Association, the Society of Management Accountants, and the Institute of Chartered Accountants.

1. Grade 12 completion or mature student status.
2. Preference given to applicants with a C+ average in senior secondary school English, Social Studies, Mathematics, and Accounting, or to applicants with a grade point average greater than 2.00 in post-secondary studies.

NOTE: Students now have the option of entering the Co-operative Education Accounting Program. Two work terms are included in this six-term program.

1. This program starts every September.
2. Applications are accepted as of November 1 and early application is encouraged.

Business Finance and Investment Management

This two year (four-term) diploma program introduces students to the principles and functions of finance and investment, including such areas as stock market activity, securities analysis, internal company finance, and the credit granting process. This program also fulfills the requirements of The Canadian Institute of Credit and Financial Management.

1. Grade 12 completion or mature student status.
2. Preference given to applicants with above-average grades or those with relevant work experience.

1. This program starts every September.
2. Applications are accepted as of November 1 and early application is encouraged.

General Insurance

This two-year (four term) diploma program provides sound knowledge and understanding of general insurance and related business administration skills, emphasizing practical application. Rewarding careers include brokerage, underwriting, claims adjusting or risk management.

1. Grade 12 completion or mature student status.
 2. Good knowledge of the English language.
 3. Preference is given to those with above average grades.
 4. Successful admission interview.
- NOTE: Students may enter the Co-op option providing they meet the academic qualifications.

1. This program starts every September.
2. Applications are accepted as of November 1, and early application is encouraged.
3. Language Proficiency Index (English) test or exemption is required before commencing the Communications course.

Marketing and Sales

This two-year (four-term) diploma program prepares graduates to enter the field of sales and marketing in industry and commerce. It emphasizes interpersonal relations, decision making processes and sales and marketing policies and practices.

1. Grade 12 completion or mature student status.
2. Preference given to applicants with above-average grades or to those with relevant work experience.

1. This program starts every September.
2. Applications are accepted as of November 1 and early application is encouraged.

Pacific Rim (Business Option)

This program provides preparatory training for students considering future employment in trade, commerce or professional activities dealing with certain Pacific Rim countries.

1. Grade 12 completion or mature student status.
2. Willingness to learn a Pacific Rim language.
3. At least 2 years work or study beyond high school graduation.

1. This program starts every September.
2. Applications are accepted as of November 1 and early application is advised.

Realty Appraisal Program

The Realty Appraisal Program offers three options:
 (1) The full-time two year Diploma Program (Regular);
 (2) The full-time two year Diploma Program (Co-op Ed.);
 (3) The part-time Certificate Program (Evening).
 All three options are endorsed by the Appraisal Institute of Canada which sets Canada-wide standards for the appraisal profession and regulates the national code of ethics. Two professional designations are awarded to qualified members of the Institute: CRA (Canadian Residential Appraiser) and AACI (Accredited Appraiser Canadian Institute).
 The Program prepares graduates for employment as real estate appraisers and investment consultants. They will also be eligible to write the Appraisal Institute of Canada's National Comprehensive Examination leading towards the professional designations.

1. Grade 12 completion or mature student status.
2. Preference given to applicants with above-average grades or to those with relevant work experience.

1. The Diploma Program starts every September.
2. Applications are accepted as of November 1 and early application is encouraged.
3. The Certificate Evening Program starts every January. However, background subjects may be started in any term.
4. The Diploma Program carries 2 years of transfer credit to the Open University towards a B.A. in Administrative Studies.

Small Business Development

This 8 month (two-term) certificate program is designed to assist entrepreneurs with the initial stages of developing a small business. It blends instruction and practical experience in areas of management, financing, marketing, and planning skills as applied to small business.

1. Grade 12 completion or mature student status.
2. Successful admission interview.
3. Interest in starting own business.

1. This program starts every September.
2. Applications are accepted as of November 1 and early application is encouraged.

Computer Information Systems

This two-year (six-term) diploma program trains students in computer programming and systems analysis. A co-operative education program; and two terms of paid work experience are integrated with four terms of classroom instruction for those who meet academic qualifications.

1. Grade 12 completion or mature student status.
2. Successful performance on an English test.
3. Completion of Algebra XI is strongly recommended.

1. Students are accepted in January, May and September of each year.
2. Students may submit applications throughout the year. Admissions tests and interviews are scheduled regularly.

Computer Systems Technologist

This two-year (six-term) diploma program educates students to develop "high-tech" mini/microcomputer applications for environments where an in-depth knowledge of computer architecture is desired. The CST program provides the graduates with High-tech education, paid work experience (Co-op option), job opportunities and career as well as academic advancement.

1. Grade 12 completion or mature student status.
2. Algebra 12 and Physics 11 with C grades or better. Physics 12 is preferred.
3. Successful performance on Language Proficiency Index and Mathematics and Computer Science Diagnostic Tests.
4. Successful admission interview.

1. This program starts each September.
2. Applications are accepted as of November 1 and early application is encouraged.
3. On application, students are strongly advised to see the CST counsellor or CST co-ordinator for discussing the program contents as well as course planning.

Arts and Science - (University Transfer) (Academic Education)

1. Arts and Science studies provide students with an opportunity to take academic courses for which credit can be transferred to many university degree programs. Students can receive a Vancouver Community College, Langara Campus Diploma upon completing two years (four terms) of study.

2. A specialized Arts and Science Diploma can be obtained in these areas:

- Canadian Studies
- Classical Studies
- Commerce
- Computer Systems Technologist (see above)
- Latin American Studies
- Pacific Rim Studies (academic)
- Women's Studies

3. The Physical Education and Recreation department offers the following two-year Diploma programs which carry transfer credit to other institutions:

- Exercise Science
- Leisure Studies
- Physical Education

Langara Campus offers a wide variety of courses for university transfer and general education. These include:

Anthropology, Art History, Biology, Canadian Studies, Chemistry, Chinese (Mandarin), Classical Studies, Computer Science, Economics, English, French, Geology, Geography, German, History, Japanese, Latin, Latin American Studies, Linguistics, Mathematics, Pacific Rim, Philosophy, Physical Education and Recreation, Physics, Political Science, Psychology, Sociology, Spanish, Statistics, Women's Studies.

For information about course prerequisites see Langara Campus Calendar.

N.B. Under some circumstances, Accounting can be a transfer course. Also many Physical Education, Theatre Arts and Fine Arts courses have transfer status. Please check with Student Services (Counselling) for details.

1. Students may start in September, January or May of each year.
2. Applications for September or May are accepted after February 15. Students are encouraged to apply for admission as early as possible.
3. On application, students may see a counsellor for a course planning interview.
4. Many courses have prerequisites.

General Education Independent Course Registrations

This 60 credit hour diploma program provides an opportunity for students to undertake a diverse selection of course work and to receive a Vancouver Community College, Langara Campus Diploma in General Education. Courses may be selected from Arts and Science, or Career Courses.

1. Grade 12 completion or mature student status. Students who are not mature students and who have not completed Grade 12 may be admitted on a conditional basis, if they are deficient in no more than two courses. Students admitted on a conditional basis must complete their deficient coursework while enrolled in a partial course load at Langara Campus.

1. Students may start in September, January or May of each year.
2. Applications for September or May are accepted after February 15. Students are encouraged to apply for admission as early as possible.
3. On application, students may see a counsellor for a course planning interview.
4. Many courses have prerequisites.

INSTRUCTIONAL SUPPORT SERVICES

LANGARA CAMPUS BOOKSTORE

The Langara Bookstore, located on the main floor of the Library building, sells all required and recommended textbooks used in college courses. In addition, the store stocks a selection of general books of interest, school and art supplies, and sportswear.

The bookstore staff welcomes you to browse and to give them suggestions. On your request, any available book not presently in stock will be specially ordered. Store hours are 8:30 a.m. to 7:00 p.m. Monday to Thursday and 8:30 a.m. to 4:30 p.m. on Fridays.

LIBRARY

The Langara Library is the centre of action throughout the year. Its five floors contain books, periodicals, newspapers, films, records and tapes.

The library staff are eager to provide assistance in any way. Students are welcome to browse, study or check out materials.

INSTRUCTIONAL ASSISTANCE

In addition to classroom instruction, instructors maintain scheduled office hours for student consultation. These office hours are usually posted on their office doors.

THE GOLD ROOM

English and Mathematics tutoring is available in the Gold Room A212- located in the South West wing on the second floor. Reference books, grammar and essay writing handouts are also available there.

FINANCIAL AID

Students whose resources are insufficient to provide for the cost of full-time studies may apply for financial assistance through the British Columbia Student Assistance Program. This program consists of interest-free loans provided by the federal and provincial governments. Application forms for loans are available at Langara's Counselling Department. They should be completed and returned to the Financial Aid Office at least 10 weeks prior to the start of classes.

In addition, there are a number of private scholarships and bursaries. These awards are listed in the Langara Campus calendar. Further information and applications can be obtained from the Financial Aid Office, which is located in the Counselling Department.

REGISTRAR/RECORDS OFFICE

The Records Office provides the service of the Registrar. This office maintains complete student records on admissions, grades, and certificates and diplomas granted.

Students should contact the Records Office when:

- a. requesting calendars and course schedules;
- b. requesting official transcripts or unofficial duplicates of records;

- c. inquiring about permanent registration numbers and student identification cards.
- d. changing one's name or address; or
- e. needing any information regarding student records or registration.

SERVICES FOR DISABLED STUDENTS

Langara Campus is well equipped to provide a wide variety of services to meet the needs of disabled students who are strongly urged to make their needs known as early as possible prior to registration. An appointment can be made by phoning 324-5221 between 9:00 a.m. and 4:30 p.m. Monday through Friday (TTY number: 324-5289).

STUDENT HEALTH SERVICES

The Student Health Service provides free and confidential health care to students attending the Langara Campus. It is staffed by a full-time physician, community health nurse, and receptionist/first-aid attendant; and by a part-time psychologist, psychiatrist, and orthoptist (vision testing). Students concerned about their health are free to drop in for a visit. Whatever the concern, the Health Service staff provides medical treatment, counselling and referral services. The Student Health Service is located on the main concourse across from the elevator and is open from 9:00 a.m. to 4:30 p.m., Monday through Friday. Phone 324-5256.

EXTRA-CURRICULAR ACTIVITIES

STUDIO 58

Langara's theatre presents live plays produced by the Theatre Arts Department. Tickets are sold to the public and all Studio 58 shows have one free performance for Langara Campus students. For more information call 324- 5227.

RECREATION AND ATHLETICS

Langara Campus has a wide range of recreation services including both intramural and intercollegiate athletic teams.

Students are welcome to make full use of the gym, playing field, tennis courts and the activity room.

LANGARA STUDENT SOCIETY

All students become members of the L.S.A., a student organization, which undertakes and manages a host of activities and services. Some are:

- a. lockers, b. housing lists, c. job board, d. advocacy,
- e. bookstore, f. food bar, g. clubs and social events.

It is housed in the Student Union Building. The Society's office hours are 8:30 a.m. to 5:00 p.m. on Friday.
