Photo ID at KEC/City Centre

Would all instructors inform the students of the following information about the student Photo ID.

There is no charge for the Photo ID. However, if the student loses their ID card, replacement cards cost \$10, payable to the cashiers office.

All cards come with an expiry date. Students that need a new expiry sticker can obtain them from the cashiers office at either campus. Cards are available to students registered in the Banner System after January 1999. Cards are not available to Program Development and Continuing Education Students at this time.

Students can have their ID photos taken at KEC or City centre Campus. For

times and locations, refer to charts posted throughout campus or check page 3 of this issue. Students need the ID photo cards for the Library and Transit Discounts. Fast track stickers for the bus can be obtained from their student union office at a cost of \$2.00.

Schedules are located at Media Services, the Registrar's office and the Library at both the KEC and City Centre. If your department would like copies of the schedule, phone Malcolm at local 8365. Your help in assisting students will ensure that the implementation of the Photo ID will run smoothly.

Booking equipment/long term loan of equipment

Due to the demand on Distribution Equipment at Media Services KEC and City Centre, we will be putting a half hour grace period on the time we can hold your Audio Visual Booking.

For example, if you book your equipment for 8:00 a.m. and you do not pick it up by 8:30 a.m., we will loan out the equipment to another instructor, if required. The only exception we will make is if an instructor phones Media Services to tell the A/V techs that they will be late picking up the equipment. This procedure is implemented in order to accommodate as many requests as possible.

We also would like to inform all Divisions that we can no longer provide equipment for Long Term Loans. If a Division needs to have equipment for extended periods of time, please contact Malcolm McIntosh at local 8365. He can provide details on how to purchase equipment for your department.

Equipment borrowed from Media Services should be returned on time to ensure that all instructors' audio visual needs are met. Thank you for your cooperation and consideration of other instructors.

Don't throw away your old

tape dispensers

Receiving Department now stocks the "tape cores," the little plastic centres that usually get thrown away with your tape.

So, rather than feel that you have to toss the whole works, keep the "core" and just order more tape.
