CITY CENTRE

Dear Colleagues:

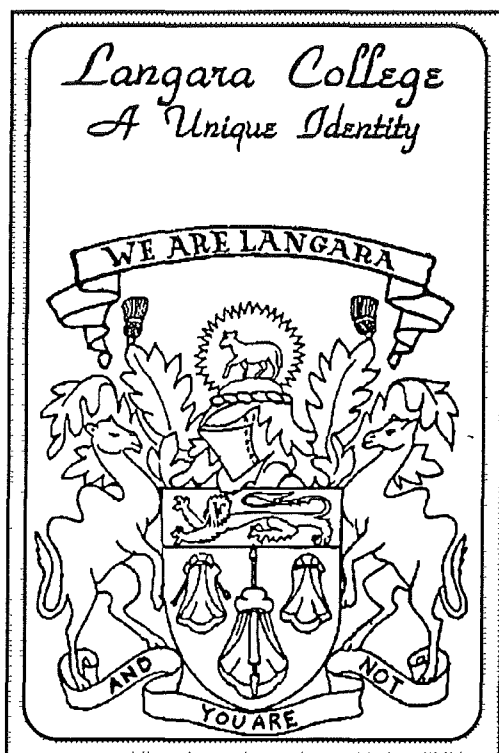

This is my first Christmas at City Centre and I want to let you know how much I have enjoyed my work here with you. I have learned much about the campus and have quickly learned to appreciate the wonderful opportunities you provide for students. Throughout the campus there is a wonderful sense of commitment and dedication to the mission of providing the best possible learning experiences for our students.

To all of you I say thank you for your help and cooperation. I wish you a restful and enjoyable Christmas season with friends and families. Please join us for carolling and festive foods on the 20th. I look forward to working with you all next year. Merry Christmas and Happy New Year!

Closure on December 20, 1991

Please be advised that City Centre Campus will be closed, wherever possible, from noon onward on Friday, December 20, 1991. Please make every effort to ensure that faculty and staff are able to attend the Carol-Sing-A-Long and Principal's Reception that afternoon.

December 20 - Care & Share Auction

How the Auction works -- all those interested in participating in the auction "bid" by donating a set amount and receive a number in return for that donation. The numbers are then put in a barrel and the winning "bid" or number is drawn. Example: The "bids" cost \$5.00. I pay \$5.00 and receive number 20. If number 20 is then drawn I am the lucky bidder in the auction.

Christmas Festivities at City Centre Friday, December 20, 1991

Food Drive

Season's Greetings from the Student Association. Just a short note to everyone to encourage all of you to bring a tin of food to campus for this last-minute canned food drive. The Food Bank is having a dismal year, and Christmas is not a time for this essential service to be in hardship. Boxes are located under the Christmas tree in Administration, the Library, counselling, and the Student Association. All of the Canned goods will be dropped off to the Food Bank before Christmas, so your gift will be well appreciated. Thank you all for your generous support. *Abby Rose*

Christmas Message From Food Services

The Food Service Department has many plans in the pipeline. Some are short term and have already been implemented in the form of promotions sponsored by suppliers and theme days on special occasions. Other more complicated issues are in the planning stage and as plans are finalized and solutions are found these will be forth coming. Items in the planning phase are a "Green" approach to food service, the layout and flow in the cafeteria and a few other less interesting items that keep us all on our toes and busy.

To date our monthly promotions have been well supported with the entries for our *Gone Fishing* promotion just having closed. This draw result is due in mid January. The coke competition and *Red Rose* tea competition supplied several students with some well deserved prizes. At the same time we hope that the small improvements in the cafeteria decor and product range have made some difference and we look forward to more changes in the New Year.

We would like to take this opportunity to wish you all a Merry Christmas and a Happy New Year and thank you for your support in the past year. 1992 is on our door step and we look forward to your participation and assistance in providing the standard of service you all expect from your cafeteria.

John Gillespie

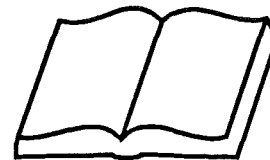

Thank you! Thank you!

A BIG THANK YOU from Sam DiGiando to all those who helped out in the planning and running of the Awards Ceremony held on December 10. In particular, Margaret Charles, Dana Fister, Angelo Iapallucci and his staff and David Wiebe. Thanks also to Uli Falter, Gabe Ferron, John Gillespie, Henry Subasinghe and their students and staff for preparing and serving such excellent food. It couldn't have happened without you! Thanks again! *Sam DiGiando*

Update From the Principal Review of College Organization

I know you have all heard many things about the joint committee (Ministry, College, Faculty Associations) study concerning the long-term financial needs of the College and its organizational structure. Meetings with representatives of the three groups are now held regularly on Friday mornings. Mr. Bob Elton and Mary King, of Peat Marwick Thorne have been retained to do a study and to make recommendations to the joint committee. Remember that background material is available in the library or from the VIA office.

At King Edward Campus we have signed a new Innovations Assessment Project contract to develop assessment tools for use by EIC across Canada to assess the training needs of recent immigrants. The developmental work will be done by Helen Tegenfeldt and Virginia Monk and I am sure either one would be pleased to tell you about the project.

At City Centre a very active Orientation Committee, chaired by Linda Martin, has prepared a fine orientation program for all new employees. Includes:

- An orientation package
- A lunch reception three times a year.
- A training workshop for supervisors who help to orient new employees.

At King Edward Campus, Karen Kelly is forming a similar committee and would welcome volunteers. I am pleased that we now have a newly organized Council of Educational Managers at King Edward (chair: Barbara Ash, vice-chair: Malcolm Cant). I look forward to working with their group on various educational matters at King Edward.

Finally I wish you all a well deserved rest and a wonderful Christmas with your families and friends.
