## NEWS FROM THE VCC ALUMNI ASSOCIATION

We are still alive!

Over the past year, the Alumni Association has undergone several changes.

Now, under the auspices of the Educational Foundation, the association has one part-time coordinator, **Katja Pantzar**, who can be reached at local 7147.

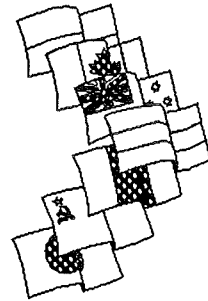

The mandate of the Alumni Association is to continue maintaining a network for the benefit of VCC alumni, students and the College. These needs are met through a variety of services including a bi-annual newsletter, the annual Career Fair at Langara (scheduled for **Thursday, March 11, 1993**), raising money for much needed scholarships and bursaries, and providing assistance with reunions and other projects.

## INTERNATIONAL EDUCATION

The VCC Pacific Rim Scholarship is awarded to a student at KEC and at Langara in alternate years.

Trevor Sawkins was awarded the 1991 KEC Scholarship to carry out a self-designed, 8-month project of language and culture studies in Indonesia.

He carried out this project between October, 1991 and May, 1992 and consisted of three phases: studying the language and culture by living with an Indonesian family; more language and culture study through learning the art of Indonesian mask carving; and investigating Canadian development projects in Indonesia.

Bring your lunch, come and find out more:
