C.E.I.C.

C.E.I.C. would like to remind all instructors that it is important to ensure that the Employer's Name is entered on all discontinuation slips!

Also, students who are eligible for Trainee Travel Cheques are reminded that they will have to pick them up next week from the C.E.I.C. office! Normal hours of operation will be in effect, except for the Placement Office which will be closing at noon on Friday, December 23rd.

SHAPE UP FOR SPRING!!

Are you dreading the Christmas season with its myriad of tasty morsels, the abundance of eggnog and Christmas spirits, and what effect they will have on your waistline come 1984??

Why not enjoy yourself now - indulge to your heart's content - and work off the results with the V.V.I. Aerobics Class which starts again in January! The group meets on Mondays and Wednesdays from 12:10 to 12:50 each week -- and remember that the more people who join, the less the cost per person!

You are invited to attend one session free of charge on Monday, December 19th, so come get a head start on the havoc those Christmas temptations tend to wreak!! For more information contact:

HELP !

The library is losing magazines before they
ever get into the door!!

Could they be disappearing from the mail room?

Please remember to check address labels to discover whether
the mags are intended for the library or a specific department!!

HOLLYWOOD NORTH

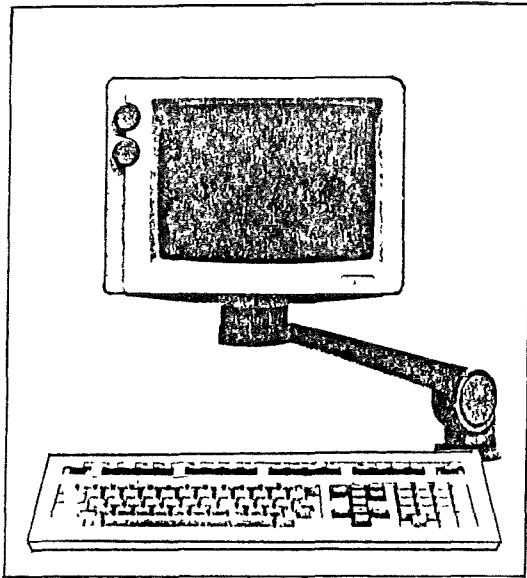

The V.V.I. Library will be featuring regular Thursday noon film showings in its screening room, to begin on January 5th. Films will be of a general entertainment nature, will start at 12:15 and will run for thirty to forty minutes. Details of coming attractions will be posted in the Library and on the Student Association bulletin board in the courtyard. Admission is free to students and staff, although the room will only hold 15 to 18 people on a first come basis. Brown baggers are welcome!

Since there will be access to many thousands of free-loan titles from all over the province, mini-festivals can be organized around almost any subject or theme; check at the Information Desk to find out what's available and to let the library know what interests you!

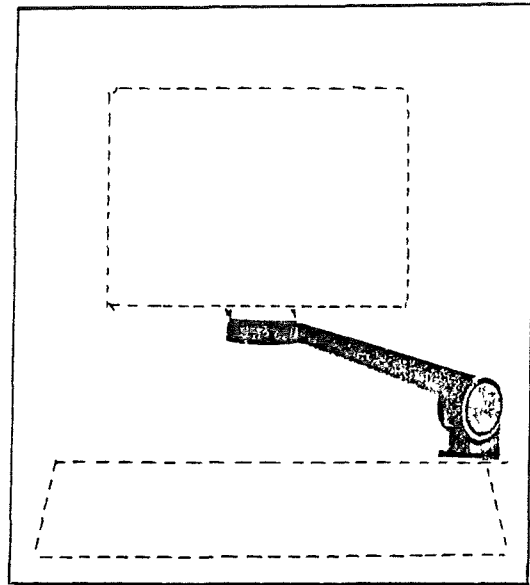

See you at the movies!

SECURITY ALERT

HERE TODAY.....

GONE TOMORROW!!

That's what is happening all over the campus!

Only faculty and staff can control the losses due to theft! Open doors to unoccupied rooms can easily attract "equipment borrowers", so PLEASE, lock all rooms and labs when you leave, or ensure that someone remains at all times!
