

# KING EDWARD TIMES

Vol. II - No. 1

August 8, 1975

Our new name was chosen by a small committee and we think it most apropos for this campus. A vote of thanks to Parveen Jiwani of the Audio Visual Department for the art work. A beautiful job!

We would like more contributions from the faculty and clerical staff. Items of interest, new ideas, stimulating and exciting "happenings" would add to the upgrading and excellence of our newspaper.

## COLLEGE FOUNDATIONS FINAL EXAMINATIONS

Please make sure that your final examinations are in for typing as soon as possible. Remind your students that the final examination will be written during the last class period. Examinations can be stored in the vault until you need them. If you would like this to happen please let Mrs. Moutter, the Office Manager, know.

COPIES OF CORRESPONDENCE

A copy of every piece of correspondence that is mailed under our letter-head must be filed in the Main Office. Please give copies to Miss Qureshi (Khandy), the filing clerk. Copies of a confidential, or personal, nature should be given to Mrs. Hemphill, Mr. Monasch's Secretary.

We have a problem. A letter arrived from IVAC in Brussels, Belgium, in response to a letter from us on July 24. We don't know who wrote the letter as we do not have a copy of the letter on the flimsy file. Please help us!

TEACHING TEAM SUCCESS

Norman and Christel Dooley have returned from Kitimat, where they have been operating a special 'off-site' English Language class. This special assignment for our staff was arranged by BCIT and sponsored jointly by Alcan and Canada Manpower.

The company, the union, the townspeople and above all the students, have heaped accolades on the Dooleys as teachers and on Vancouver Community College for its fine English Language programme.

Congratulations and welcome home, Christel and Norman!

TO ALL INTERESTED TEACHERS AND CLASSES RE: "STUDENT TOUR CHINA '75"

I would like to show slides of China and answer questions in the next week before the official slide show "China '75" is produced. This will enable me to include in the forthcoming production answers to questions about China which will benefit the most people. I can be contacted by leaving a note in the Student Association box.

CRANK CALLS

All of you, at some time or another, must have received unwanted anonymous phone calls. The other evening, at about nine-thirty, our phone rang, the voice of the caller being that of a four- or five-year-old. The conversation went like this:

"Hello."

"Hello."

(pause)

"Whom would you like to speak to? (long pause) Perhaps you dialed the wrong number. Whom were you trying to phone?"

(long pause)

"I can hear your T.V. We're both watching the same show. It's a good show, isn't it?"

"Not bad. (pause) If you weren't phoning any particular person, why did you phone?"

"This is an obscene phone call."

"Oh. In that case don't you think it would be better if I hang up?"

"Yes, I guess so. Goodbye."

#### NEW FEATURE

To add a bit of "spice and life" to King Edward Times we offer for your pleasure "A Limerick a Week". Contributions are welcome. Keep them "clever but clean".

#### SAMPLE

The limerick packs laughs anatomical  
Into space that is quite economical.  
But the good ones I've seen  
So seldom are clean  
And the clean ones so seldom are comical.
