5) PAYROLL DEADLINE TIGHTENS

The latest word from V.S.B. Payroll via Regional Office is that tardy timesheets will no longer be tolerated, regardless of special circumstances. To make sure everyone gets paid on time, please turn in your completed yellow instructor's timesheets (with address, S.I.#) to Peggy in the office on the last day of each month, if not sooner. Timesheets turned in after this date will have to wait until the end of the following month.

6) MORE BUDGET TALK!

Everyone is, we are sure, tired of talking, revising, re-revising, and thinking about BUDGET! However - we must ask that everyone take a second look and thought when asking for supplies. By doing without and making do we will be able to save enough here and there to add up to a considerable sum.

Thanks for your co-operation.
