7) HEAR YE! HEAR YE! E.L.T. IS ON T.V.

Chuck Davis is doing a series of T.V. programs on the Habitat Conference on Human Settlements on February 16th. His program will be about immigration and, since learning English is a problem for many immigrants, he has asked the English Language Training Department to do a 10 minute presentation. The format will be an interview - Mary Selman will be the interviewee - backed up by slides of E.L.T. classes. The program will be "live" so wish Mary luck. The time will be 7 o'clock on Monday, February 16th on channel 10.

9) STUDENT COUNCIL

While the Library was waiting for budget approval for shelving for approximately eight months, the books were piling up on the King Edward Library floor. The Students' Council decided the hardworking Librarians needed cheering up and graciously donated four sets of bookshelves. They match the decor beautifully.

The Students' Council is waging a bitter war against smoking. Besides publicizing the "Non-Smokers Bill of Rights" they have also been handing out pins for free and declared their office to be a non-smoking area. Students and Faculty who would like to fight along with them are welcome. The School Nurse and the Students' Council will offer all the moral support needed.

The Students' Council suggested that the Health Services have a bulletin board in the new building so as to disseminate Health information to a broader spectrum of students. Dean Brown graciously agreed to have one put up as soon as possible near the buffeteria.

13) A VALENTINE FOR US!

"Thank you so much for your letter; I appreciated it greatly. I must say that I really enjoyed attending the King Edward Campus. I found the atmosphere, the courses, and the teachers all absolutely A-One. I plan to continue my education at either U.B.C. or the University of Saskatchewan, and to obtain a degree in Veterinary Medicine. I am currently awaiting, with bated breath, the return of my applications from these universities. Again, let me thank you for taking the time to write to me."

Yours Sincerely,
Jaini Haywood
