4) FOOD SERVICE NOTES

As a result of suggestions by our Food Service Committee, Parnell Foods Ltd., formerly called Canadian Food Service Management, has begun putting healthy baked goods made with all natural ingredients- no sugar or preservatives. The usual fare of donuts and chocolates will still be stocked, but now you can choose the more nutritious snacks if you wish.

Please direct any other suggestions you might have to Rita Shelley in the Administration Office. We will keep you posted on the progress of the Committee.

COPY OF LETTER TO PARENTS FROM THE DAYCARE CENTRE (March 17, '76)

Dear Parents:

Daycare centers involved with the Social Service Employees Union and Service Office and Retail Workers Union of Canada have voted in favor of a one-day work stoppage on March 30, 1976. Workers at centers without current collective agreements will be participating in the shutdown, but we are hoping that staff and parents at other centers will be able to lend optimum support.

March 30th has been set aside as a day to make the government and the public aware of the impossible financial situation that now faces most day care centers.

We need your support as parents to impress upon the government the immediate need for quality day care. Your jobs as well as ours are at stake.

ATTEND THE RALLY!

MARCH 30, 1976

from 11:30-1:30 p.m.
