1) FIRE ALARMS

The attention of all Faculty, Staff and Students is drawn to Fire Drill Instructions which are posted in each classroom.

When the Fire Alarm rings all Students, Staff and Faculty are to leave the building by the nearest door and move well clear of the building to facilitate the arrival of emergency equipment. You are not to return to the building until the "all clear" is given by the principal or his delegate.

It is a criminal offence to ring a false alarm.

Admission to this concert, one of the outstanding musical events of the semester, will be \$2.00 for adults, \$1.00 for students. After the concert, there will be a "social hour" during which free refreshments will be served so that members of the audience can meet and talk to the music students and faculty.

8) ODE TO THE REAL NEIL

He's leaving us now,
Get along without him - How?
Maybe it's because he's so cute
That he's never gotten the boot.
No time now for jealousy,
We'll miss him over-zealously.
He doesn't want any tears,
Just a lot of happy cheers (clank)
No more packages to receive,
How can he ever leave?
We really don't want to say bye,
We hope he'll come back to say hi!
