## UBC GRAD WINS BIG SCHOLARSHIP

Sun Victoria Bureau

VICTORIA — University of B.C. graduate Joan Chard was named Friday as 1976 winner of the \$7,000 Queen Elizabeth II B.C. Centennial Scholarship.

Miss Chard, of 120 East Keith Road, North Vancouver, has a bachelor of arts in English and Latin from UBC, master of arts in English literature from Dalhousie University and an MA in Christian education from the Union Theological Seminary. She is now employed as a sessional lecturer in the UBC English department.

Miss Chard plans to take a doctorate in English literature and theology at the University of Edinburgh.

A very special "welcome back" to Jean Benetti, who has returned to King Edward Campus after two successful years at U.B.C. Her first year there, she completed her Masters degree. Her second year, she taught Education 478 (Teaching English as an Additional Language). We are looking forward to hearing of her experiences and sharing her new expertise and insights in program planning.

Nice to see you back, Jean.

Congratulations to Mary Selman, Coordinator of the Neighbourhood English Classes, who will be joining David Brown this summer at U.B.C. to teach Education 478. We know the education students will benefit from her wide knowledge and practical experience.

Kudos to the Music Department, for two reasons. First of all, Gordon Callon has been given a Canada Council grant so that he can complete his Doctor of Musical Arts degree at the University of Washington this summer. His dissertation will be on Michael Lannier, a 17th century English composer, of whom none of us has ever heard of.

The Music Department has also been asked to tape radio broadcasts of approximately 12 concerts. These will be aired on CHQM on Sunday evenings from 2030 to 2100 as part of a public service series of concerts. It is a credit to the performance level of the Music students that they have been asked to take part in this project. Congratulations in all directions to everyone concerned.

## 2. COUNSELLING DEPARTMENT NEWS

Letter from a thankful student:

"I was in to see you a few days ago. I just want to express my sincere thanks to you for your help and understanding. I have since been in contact with Victoria and they were kind enough to extend their deadline to register me for June 18 and 19 at Douglas College.

Your helpful counselling may have changed someone's whole direction in life. Thank you again."

D.G.

A grateful student gave one of our counsellors a beautiful Blue Mountain vase in appreciation of help rendered in the line of duty. The help was made possible by Ron Fussell, who gave important O.K.'s. So the business we are in, that of helping students get where they plan to go, still goes on.

K.P.

A tape of the CJOR broadcast discussion of the B.E.S.T. Program, first heard on May 25 at 10:00 a.m., is now in the counselling department for anyone interested in hearing it.

3) VACATION

Robert Cunningham, Dean of Instruction, will be on leave 1976 06 05 to 1976 06 07. In his absence, problems he would normally handle will be processed by Colin Casey.

4) NUMERIC DATING

There is a decided disadvantage to numeric dating! The months do not know how to act now that they are known by numbers instead of names. When one thinks of May and June, one thinks of blue skies, sunshine, and flowers. 05 and 06 leave much to the imagination?? May and June didn't even know they had arrived.  
RAIN, RAIN, AND MORE RAIN!

5) POSITION OPENINGS

V.V.I. invites applications for instructors in both the Business Education and Practical Nursing Departments. For details, please see postings on Faculty bulletin boards.

DEPARTMENT OF ASIAN STUDIES

May 11, 1976

- 11) Dean of Studies  
Vancouver Community College  
Vancouver, B.C.

Dear Sir:

In September 1974 the Prime Ministers of Canada and Japan announced their intention to initiate matching and complementary programs of about one million dollars each for promoting academic relations, with the funds being used primarily for the development of Japanese studies in Canada and of Canadian studies in Japan. In accordance with this intention, in March 1975 the Japan Foundation conferred a grant of about one million dollars (three hundred million yen) on the Association of Universities and Colleges of Canada. One quarter of this amount has been allocated to the University of British Columbia for the promotion of Japanese Studies according to principles and guidelines laid down by the Japan Foundation.

Among the proposed uses of the funds provided will be fellowships and scholarships, including summer language fellowships, tenable at this university; and internships, also tenable at this university, for qualified faculty members of other colleges and universities lacking proper training facilities in the field of Japanese studies who wish to be trained in this field.

I would be grateful if you would draw these opportunities to the attention of interested faculty and students in your institution. If you wish any further information, or if any faculty member or student would like to know more, I can be contacted by mail at the above address or by telephone at 228-5728.

Thank you for your cooperation.

Yours sincerely,

P. Harnetty  
Professor and Head

12) LIMERICK OF THE WEEK

We know of a place full of knowledge  
Called Vancouver Community College  
But no one could learn  
For King Edward did burn!  
This was a time on that Campus  
That's remembered most likely by Grampus!
