1) RESIGNATION OF OUR BURSAR

Mr. Len Berg has decided that the pastures are greener on the other side of the Inlet. Consequently, he leaves the College on 07 31 to become Secretary/Treasurer of the North Vancouver School District. His friendly helpfulness will be much missed by everyone with whom he has worked, but I'm sure you all join me in wishing him every success in his new appointment.

3) ENGINEERING AND CUSTODIAL STAFF CHANGES

No doubt you are all aware that we now have a completely new Engineering and Custodial staff. There may be problems and difficulties to be overcome in the initial familiarization period. I hope you will understand. However, I would appreciate it if you would let me know in writing of any problems and/or inadequacies in the system so that we can do our best to correct them.

For your information; the new Engineer (who will be working

the day shift is Dave Bonnell.

NOTE: The change in Engineering and Custodial staff is the result of the separation of the College from Vancouver School Board. Because of this, School Board employees had to be reassigned to School Board facilities.

8) THOUGHT FOR THE WEEK

The over-riding goal of all instructors is to help people learn how to learn. Whether it is a skill, a service, a profession, or a diploma, this is a real test of the curriculum.

9) BEWARE OF THE THIEF!

There have been a number of thefts on Campus recently. For this reason, greater care should be taken to ensure security of college and personal property. Some suggestions:

- (1) Do not leave cash or cheques in desks or cupboards, even if they are locked. Store all cash in the Main Office vault. ✓✓
- (2) Be doubly careful that equipment is not left in accessible areas and that all rooms, cupboards, etc., are locked. ✓✓
- (3) Do not leave purses and other personal valuables unattended. As a precaution, carry a minimum of cash and only those valuable papers that are regularly in use. ✓✓

Be on the look out for suspicious persons and/or behavior. Question or report anyone who does not seem to "belong" in a particular place at a particular time. While we don't like to think it, the culprit could be an "insider". ✓✓
