1) NOTES FROM THE OFFICE

...Amnesty Day Results

We had ONE Pilot Fineliner pen (used) returned with the suggestion that, in future, there be no free issue of pens and pencils, but that "easy"? purchase be arranged!

...Faculty Typewriters

Will faculty members please refrain from using typewriters other than the 3 at the back of the office (2 Selectrics, 1 Manual). Sno-pak was spilled on a brand-new correcting typewriter Wednesday night. These machines are not designed to be hammered on by amateurs and it is extremely frustrating to have them misused in this manner.

...Faculty Mail Boxes

Please do not ask your students to pick up mail from your letter boxes. Often mail and work orders are of a confidential nature and should not be available to students.

...Staff Room

We would much appreciate that faculty and staff clean up their lunch leavings and help keep our staff room presentable. It is most unappetizing to have to clean up other people's crumbs, paper cartons, half-filled coffee cups, etc., before trying to enjoy our own lunch!

2) I.D. PHOTOS

I.D. photos will be taken on Fridays between 11:30 and 12:30 in the A/V room until the next Registration, when times and dates will be announced.

3) ROSE-COLORED LIGHTS!

Pink 'sleeves' to soften the glare of fluorescent lights were ordered in early August. They were out of stock in Vancouver and had to be ordered from the States. We were told initially that delivery would take 3 weeks. Unfortunately, we have now heard from the supplier that the sleeves will not be here until the end of October. Please try to bear with it until then.

4) STUDENT SOCIETY

The following people are candidates in the King Edward Campus Student Society Election to be held on October 6th and 7th:

Claire Davis	David Kay
Ludo Van Pelt	Tom King
Farida Rawji	Jackie Rogers
Klaudio Ferlan

5) CAN/OLE SERVICE *

V.C.C. Langara Library and Computer Services are pleased to announce that the CAN/OLE On-Line information retrieval service will be available to V.C.C. Faculty and Staff beginning October 1, 1976.

The system does retrospective search on large bibliographic reference files in all major fields of science and technology. The User is responsible for the cost of the service used

(based on the CAN/OLE cost structure) which is provided to the client during the on-line search. There are no minimum or maximum costs.

If you wish to use this service or wish more detailed information about the system, please feel free to call the Langara Library at 324 5388.

7) THOUGHT FOR THE WEEK

Regardless of how many failures a person has had in the past, regardless of his background, his culture, his colour, or his economic level, he will not succeed in general until he can, in some way, experience success in one important part of his life. Given the first success to build upon, the negative factors, the ones emphasized by the sociologists, mean little.
