1) WELCOME LETTER TO COUNSELLING DEPARTMENT

"We would like to take this opportunity to thank you for your gentle kindness and understanding. You may not even remember me or my sister, but I will always remember you and that day we walked into your office. I was frightened silly. You referred us to the B.J.R.T. course. I needed that gentle push and the careful guidance that the instructors gave me. I am now working and training as a dental receptionist and my sister a medical receptionist and we love it. Many thanks. We are grateful".

10) FIELD TRIPS: - REMINDER

Every time you take your class on a field trip, the completed form, which lists every student involved, must be left at the switchboard before the trip takes place. This enables us to locate students and/or instructors in case of emergency.

The term is only four days old and already one field trip has taken place without our knowledge.

Your co-operation in this matter is both appreciated and essential.
