1) TEAL CONFERENCE '77

From many people I have heard mostly compliments concerning the presentations, attendance and organization of the conference held last weekend.

Faculty at King Edward Campus were fully involved in all three areas. As your Dean of Instruction, I felt very proud of the responsibilities you took and the professional help you gave to instructors, both seasoned and neophyte. Your efforts show your willingness to provide leadership in a very exciting field. We appreciate all that the KEC support staff did, conscientiously but unseen, to provide those services we often take for granted.

Again, "thank you". I look forward to TEAL Conference '78 and joining you there.

2) THANK YOU!

To all the staff and students who participated and enjoyed the International Food Fair. Your involvement helped make it a most successful day. We raised in excess of \$1300.00 towards our goal of \$2500.00 which will enable all the Manpower ELT students to take a trip to the Legislative Buildings and Provincial Museum in Victoria.

4) SUPPLIES FOR OFF-CAMPUS INSTRUCTORS

We realize the difficulty in procuring supplies for instructors who teach off-campus. Please call the Receiver, Steve Baker (local 54), or leave your order with the switchboard operator a day or two in advance. Your order will be placed on the table between the letter boxes in the Main Office for you.

5) INVOICES AND RECEIPTS - FISCAL YEAR-END 1976-77

Before March 31, please make sure that:

- a) All packing notes received in supply or equipment orders are receipted and sent promptly to the Receiver, Steve Baker. The Receiver must have all receiving reports relating to the current fiscal year in to the Accounting Department at Regional Office by April 4, 1977.
- b) Invoices for miscellaneous purchases not covered by a Purchase Order, or invoices relating to receipts of items from covering Purchase Orders must be coded and approved by the appropriate budget officer and forwarded to the Accounting Department at Regional Office by April 15, 1977.

6) OCCUPATIONAL AWARENESS DAYS

Wednesday, April 13 (2:00 p.m. - 9:00 p.m.)

Thursday, April 14 (9:00 a.m. - 9:00 p.m.)

This is an advance notice to let you know that, on the two dates above, the Counselling Department plans two days of information and counselling services for students concerning the occupations in trades, apprenticeship and technical programs.

We intend to invite journeymen, instructors, counsellors from Manpower, the Apprenticeship Board, and the training schools, to give our students the benefit of talking directly with people in the field.

We hope you will plan to take your class or classes through Room 101 on either or both of those days. It is just before the end of the semester in April, so the notice is short, and that is why we are giving advance notice now. Further details will be given as soon as plans finalize.

E.H. & G.N.

7) OFF-CAMPUS

I will be off-campus on Monday and Tuesday, March 21 and 22. Please involve Ron Fussell with any concerns you would normally bring my way on those two days.
