6) LEARNING CENTRE NOTES

The upcoming summer months of May through August will see some changes in the Learning Centre. A warm welcome is extended to Gordon Griffin, who is already working part-time and who will continue daily through the summer in the Math/Science Workshop.

Sincere thanks are extended to ELT instructors who have spent some of their assigned duty hours tutoring English since last September.

The Centre will close from April 22-29 inclusive, to allow the staff to take a break and to replenish materials and supplies.

The reduced schedule of summer hours will be posted next week; the names of two successful candidates who have applied for student aide work this summer will be made in the next issue of the Times.
