8) WELCOME LETTER TO K.E.C.

"This is just a note to let you know how very much I enjoyed going to King Ed.

The atmosphere is friendly and happy, and I feel that helps, when people are going back to school, after being away from school for a period of time. I will not be coming back, as I wrote my G.E.D.'s and passed, but will be going to Langara in the fall. If it's as good as King Ed, I will enjoy going there very much.

I will be coming by occasionally to see some of the people (counsellors, teachers) that I made close friends with, to see how things are with them, and to say Hi. Have a nice summer."
