

KING EDWARD TIMES

CASHIERS' FILES *[Signature]*

VOLUME IV, No. 10

June 3, 1977

1) ALL BUDGET OFFICERS:

In some instances supplies, etc. are received directly by instructors or other staff. This happens more frequently in the case of goods shipped by mail.

It is necessary for receiving slips to be sent directly to the receiving department and, in lieu of a receiving report, they should be notified that the goods are received. This is important, since suppliers are not paid unless we are in receipt of a proof of delivery.

Your help in this matter would be greatly appreciated.

2) NOMENCLATURE

Please be advised that we are now called Post-Secondary Department, Ministry of Education.

3) THE APATHY CLUB

The Apathy Club confesses a tremor of doubt re: the interest in it by several faculty members.....

All right, we don't care if you feel you want to be one of us, but please tone down your enthusiasm.

Two more have shrugged shoulders and raised an eyebrow and may become members, if or when we get around to it.

Don't call us and don't concern yourselves if we don't call you. After all - who cares?
