CASHIERS' FILES *W*

VOLUME IV, No. 15

July 15, 1977

HAIL TO THE CHIEF!

On behalf of all faculty, staff, students and administration of KEC, a warm welcome to Harry Pankratz on the occasion of the official commencement of his "principalship" at King Edward Campus on July 18th. Please be assured of the wholehearted co-operation and support of all here on campus and those in our satellite locations.

We look-forward to many years of joint productive endeavor in carrying out the responsibilities of providing top quality education to the community which we serve.

1) WELCOME!

A warm welcome is extended to Lisa Larson, our new Cashier. Lisa replaces Linda Murdock who is now our Payroll clerk. Lisa comes to us with lots of banking experience and we hope she will enjoy her new career at KEC.

2) HOLIDAYS

Mr. J. D. Brown, our Dean of Administrative and Student Services, will be on vacation from July 18 to August 12. In his absence, please see Mr. Pankratz, our new Principal, for advice or "problem solving" concerning Mr. Brown's department.

3) COMMUNITY AND ADULT BASIC EDUCATION SPECIAL PROJECTS

King Edward Campus has been allocated \$4,250 to prepare an Adult Basic Education Curriculum which can be used throughout the Province.

This is the outcome of an excellent proposal put together by Cindy Onstad and Mary Waddington of our Basic Education Department.

Laurel Gould will be working on this project throughout July and August.

4) THOUGHTS (not mine) ON TESTING

"Testing distracts from the teacher's main function - teaching. Testing is a product of anxiety. Testing tells an instructor what he already knows about a student".

P.S. Please don't confuse testing with assessing!

Give me your brief reactions for inclusion in the King Edward Times.

5) JUST ANOTHER THOUGHT

Adult education is a unique field in which every learner  
can be a teacher, and every teacher can be a learner.

6) VACATION

Esther Winckler will be on holiday until September 6.  
Please direct calls to Dorothy Neville.
