VOLUME IV, No. 25

September 23, 1977

1) ALL FACULTY - PLEASE READ TO YOUR STUDENTS

It is sad, indeed, to report the death August 23, 1977 of Rick Robertson, a former B.T.S.D. and College Foundations student here at King Edward. Rick, for so long, persevered in his studies despite his long-term battle with terminal cancer. His fortitude and spirit were an example to us all.

In his memory, a Rick Robertson Memorial Bursary is being established. All students and faculty wishing to contribute are asked to give their donations to Rita Shelley in the Main Office.

I have placed a copy of the Honourable Bud Cullen's address on co-operative education in our library. It may be of interest to some faculty members.

6) LOST, MISPLACED, OR TAKEN!

If anyone finds a packet of 35mm slides, please return to Office "E" or "F". We thank you in advance!

7) PERSONAL MAIL

Again - we ask that you NOT place your personal mail in the basket on the counter. Our mail clerk has enough College "business" mail to handle and should not be burdened with any more. Just think - if everyone on this campus put one piece of personal mail in the basket each day, this would amount to around 300 extra items to be carried across the street to the mail box!

8) HOW DO YOU RE-ACT?

"OLD CHEMISTS NEVER DIE; THEY JUST FAIL TO REACT!"
