2) AN IMPORTANT SURVEY

On Wednesday and Thursday of next week (October 12th and 13th) some of you will be asked to give your classes a brief survey to complete. It has been designed to provide information which is vital in proving that King Edward Campus should remain as a unit.

Please:

- (1) encourage your students to take the survey seriously
- (2) assist students in providing accurate answers
- (3) emphasize that names are not required
- (4) return completed survey forms to the main office immediately.

Your co-operation and assistance will be greatly appreciated.

Requested Topics

There is one main purpose for this course -- to increase your competence as a (fledgling) instructor.

Successful completion of this course covers Article VIII.A.1 of the current Collective Agreement between Vancouver Community College and the Vocational Instructors' Association.

Also I have a mandate from the Centre of Continuing Education, U.B.C., to make this course relevant to V.C.C. instructors, rather than to cover a "universal" curriculum.

The fee for this course is \$30, payable by cheque on October 22nd.

If you are interested in enrolling in the course, please let me know by Friday, October 14th.
