CLAIMS PROCEDURES

for

6)

CONFEDERATION LIFE DENTAL PLAN

1. Obtain a Confederation Life Dental Claim Form from your V.I.A. representative, your campus Office Manager, or the Personnel Dept., when you or your eligible dependents intend to visit a Dentist.
2. Complete fully the "Insured's Statement". The Group Policy Number and your Certificate Number are shown on your Group Dental Certificate. Present the Claim Form to the Dentist on your initial visit. Your Certificate Number is the same as your Social Insurance Number.
3. If the charges for the work prescribed by your Dentist are in excess of \$300, Confederation Life suggests that you have the Dentist outline the "Treatment Plan" on the Claim Form and send it to Confederation Life at the address shown on the Claim Form. This procedure is suggested so that you may determine the amount that will be paid by your Dental Plan, before treatments commence.
4. When treatments have been performed by the Dentist, ensure that the front of the Claim Form has been filled out and signed by the Dentist. If you wish to have payment made directly to the Dentist, you must sign the Assignment of Benefits Statement on the Claim Form.
5. Send the completed Claim Form (or have your Dentist send it) to Confederation Life at the address shown on the form.
6. Confederation Life will attempt to have payment made within 3-5 days from receipt of a properly completed Claim Form. If any information is missing, this may delay payment.

7) ENGLISH PLACEMENT TEST APRIL 6, 1978

Essay Topic #5:

If you were given sufficient funds to help save an endangered species, which species would you save and why?

One student started his topic as follows:

"If I were given funds to save an endangered species, I will try my best to give funds to the Salvation Army."

On another topic, others wrote:

"If such ideas (marriage) did survive, there would be only in the upper class and the religious group."

"Unfortunately, there is a growing trend toward the divortion."

"Even though, traditionally, the next step of courtship is marriage, the people now prefer cohibition between courtship and marriage."

8) ROOM RESERVATIONS: BOARD ROOM AND ROOM 208

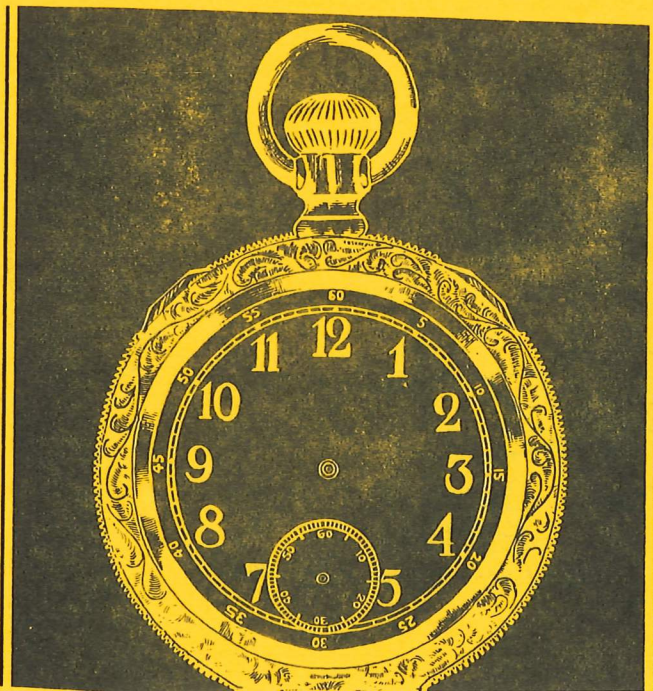

If you wish to make use of one of these rooms, please "reserve" it in the blue reservation book on Mary Griffith's desk.

Recently, one instructor was most unhappy because he took it for granted that one of these rooms was available for him at a specific time and day. Also he hadn't made a room booking for that time - someone else had.

The moral - if you need to book - book well ahead.

As a corollary - if, after booking, you cancel your meeting, please remove your reservation from the book.

9) MEDAL WINNERS

Pat York, one of our blind students, has won three gold medals and two silver medals at the first Canadian indoor track, field and swim meet for the blind, held recently in Newfoundland.

He has been chosen, with two other blind athletes, Paul English and Pat Conway, to represent Canada at the Pan American Games in Chicago on July 30. Pat will run the 1500 m. and 400 m. races and swim in the 100 m. freestyle and breaststroke competitions. He will also take part in wrestling (he's Canada's champ) and relays.

He wants to thank all of you who bought tickets for the Canadian Sports Association for the Blind. If you haven't been phoned, your ticket didn't win. Sorry about that! Pat raised almost \$1,000 with your help.

Just thought you'd like to hear what determination can do. Apathy Club members, please don't copy!
