

KING EDWARD TIMES

VOLUME V, No. 22

September 8, 1978

1) WELCOME BACK!

Labour Day usually heralds the start of the School Year. At King Edward Campus, the "year" never ends.

To those who have spent the summer months, or part of them, on vacation or in study, welcome back.

Of one thing we can be certain, the year ahead will present us all with challenges. I have every confidence that you will meet them head on and continue to give quality education to those privileged to be in your classes.

To those who spent the summer here, I would like to express my appreciation for all you did to retain the interest of your students against the counter-attractions of a Vancouver summer.

8) PACK UP SOME GOODNESS IN YOUR OLD BROWN BAG

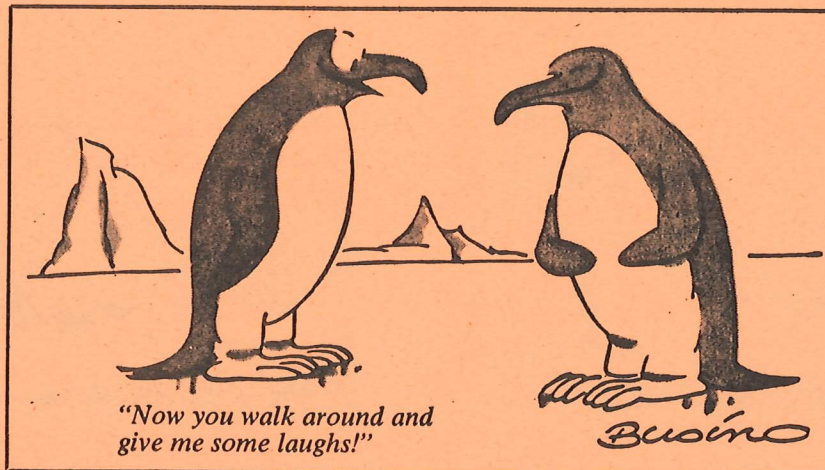

Starting Wednesday, September 6 (two days ago!) the Ministry of Agriculture is sponsoring a Province-wide, multi-media advertising campaign directed at promoting the concept of the nutritional benefits that can be derived from eating a well-balanced, home-prepared lunch.

The theme for the contest is to be "Nutrition Can Be Fun."

Each entrant will automatically receive a "Certificate of Merit" from the Minister of Agriculture.
