

KING EDWARD TIMES

VOLUME V, No. 33

November 24, 1978

1) KING EDWARD DAY

King Edward Day was never cancelled, it was only postponed!

The new day is:

Friday, February 16

The location is:

Four Seasons Hotel

The main, but not the only, reason for postponing King Edward Day was the fact that the union to which our support staff belong informed me that its members would be advised not to attend any activities in the hotel that was available to us on November 18.

Because it is essential that all support staff be with us, we considered that, rather than put them in an untenable position, we would switch locations. As no other suitable location was available in November, we decided to change the date to mid-February so that you and your students could have a mid-winter break.

Most of the speakers requested have agreed to join us, and your committee is putting the final touches to what we expect will be another interesting day.

2) V.I.A. ANNUAL GENERAL MEETING

PLACE: Plaza 500
DATE: Thursday, November 30th
TIME: 1:15 p.m.

Faculty members who wish to attend but who have scheduled classes at that time, should make appropriate arrangements for their students.

Please alert your department head of your intention to attend the meeting.

3) EVALUATION TASK FORCE

Thanks to all instructors who took the time to fill out their evaluation questionnaire and to those who gave up class time so their students could fill out their forms. We hope the results will justify the time you spent.

4) POSITION OPENING AT K.E.C.

The Business Education Department requires an instructor for Consumer Law, 8:00 - 9:50 p.m. T/Th/F, during the January-April semester.

Interested instructors should see Bette Lowe in Office 186, or phone her at 738-7622 before December 8.

6) SHERRY WALMSLEY

A good friend of the College and this Campus has passed away.

Sherry Walmsley served the Vancouver School Board and Vancouver Community College from the early 1930's until his retirement in 1973. Many K.E.C. faculty and staff will remember him. He died on Tuesday.

Funeral services for Mr. Walmsley will be held at Simmons and McBride (Broadway and Maple) this afternoon (Friday) at 2:00 p.m.

7) COLLEGE COUNCIL MEETING

The College Council met in regular session on Wednesday, November 22nd, at Langara Campus. The meeting was held at Langara because the Minister was meeting with the Council and representatives from Langara just prior to the Council meeting. I'm told it is the Minister's intention to visit V.V.I. and K.E.C. as well.

The main item on Wednesday's agenda was the proposed operating budget for 1979-80. The proposed budget of \$30,816,387 was approved.

Minutes of the Council meeting of October 25th, as well as background material related to other matters on Wednesday's agenda, including a copy of the proposed budget, have been placed in the Library for your perusal.

8) APPOINTMENTS

During the last few weeks, committees of faculty and the administrators have met to recommend instructors for department head and co-ordinator positions. 9) ENGLISH 098/099 AT B.C.I.T.

It gives me great pleasure to announce that B.C.I.T. has requested that the English Language Training Department offer one full-time class of English 098/099 at their institution from January to April of next year. This class will be in addition to the regular 098/099 classes offered at K.E.C., and will be taught by Barbara Richards and Rose Marie Watson, each of whom will work half-time at B.C.I.T. and half-time here.

Essentially, this is a pilot project, but it will give us the opportunity of assisting another institution while, at the same time, providing us with direct experience in preparing students for technical courses. It is a thoroughly commendable enterprise, and I would like to thank those people here at K.E.C. - especially Rosemary Meyer, Nic Morelli, and Barbara Richards - who have worked so hard to make the arrangements. Every success in this new undertaking.

H.E.P.

10) COLLEGE FOUNDATIONS INSTRUCTORS:

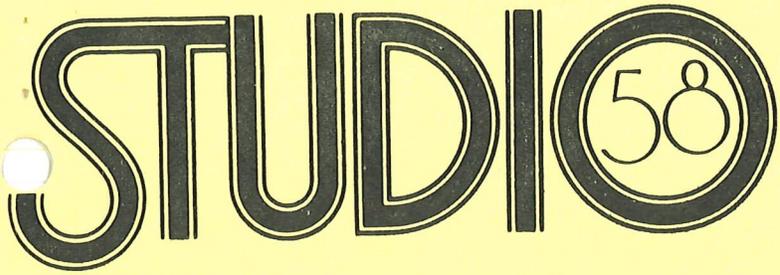

There will be a divisional faculty meeting on Tuesday, December 19 at 9:00 a.m. in Room 117. Please mark that date on your calendars.

11) FURTHER ADVENTURES OF NORM DOOLEY AND CHRISTEL NIEROBISCH IN KITIMAT:

Norm and Christel didn't get washed away in the flood, but after it was all over, they had problems with heat, or rather lack of it. The first week they had heat in their trailer, but not in their classrooms. The week after that, they had heat in their classrooms but not in the trailer. Or else it was the other way around! Needless to say, for both weeks, they froze for most of the time. Thankfully, everything is back to normal, if this is the correct term to use in a situation like the Kitimat one.
