3) A FOND FAREWELL!

There's no joy in KEC after next Thursday
because Casey is moving to Kelowna.

Casey has been a whole ball team for KEC.

She pitches in, fields for us, goes to bat for us,
gets to first base, never stops short.

And she leads the cheer.

But now - traded to Kelowna

the mighty Casey has struck out.

WE FEEL LOWE!

6) INTERNATIONAL RENOWN

Greta Nelson's article "A Proposed System for Developing Individualized Education Programs for Learning Disabled Adults at Vancouver Community College, King Edward Campus" has been copied on microfilm and is now an ERIC (Educational Resources Information Centre) entry.

This means that an abstract has been filed in nearly every post-secondary institution in North America and also in many others throughout the world.

This is the first time that notice of a K.E.C. instructor's publication reproduced in ERIC's files has been brought to my attention.

Congratulations, Greta!

9) U.S. METRIC EDUCATIONAL MATERIALS

Sector Committee 10.03, Post-Secondary Non-University Education, informs us that, as the U.S. becomes more active in metric conversion, we can expect large quantities of Metric Learning material to be produced. While welcoming this increase, the sector committee warns us to be on guard against non-S.I. metric learning materials which may appear.

10) WE'VE GOT YOUR NUMBER!

Our new switchboard is being installed this week. New locals will be issued on all phones and a list will be distributed to everyone as soon as possible.

We will be able to handle more calls efficiently and much faster than before, with fewer waits for trunk lines, etc. Bear with us for a few days, while we work the "bugs" out.

Happy Connection!

M.G.

11) COLLEGE BOARD MEETING

The Vancouver Community College Board will meet in regular session at 675 West Hastings Street (6th floor) on Wednesday, April 11th at 7:00 p.m.

12) DELAYED APPRECIATION

Due to an oversight, I did not express my appreciation to the following people:

Cheryl Jibodh and Herbert Salzmman for their workshop at the TEAL conference, and Vince Antonelli as a returning member of the TEAM executive board.

R.F.C.

13) TEAL CONFERENCE 1980

Again, another KEC faculty member - this time Jean Benetti - has been asked to be Conference Chairman.

We can anticipate another outstanding conference.

15) POSITION OPENINGS

The Open Learning Institute in Richmond has several openings i.e., Admissions and Records Manager, Examinations and Publications Coordinator and a Systems Analyst.

Details of the above positions are posted on the bulletin boards.

16) TO ALL E.S.L. INSTRUCTORS:

The Far Eastern Economic Review is being received weekly by the K.E.C. Library. The Review contains first class reporting of events in Asia from Japan to Iran. Not only is it valuable as an information course to E.S.L. instructors, but also to the many Asian students who don't always have access to such information in Canada.
