1) COLLEGE BOARD MEETING

The College Board will meet in regular session at 675 West Hastings Street (6th floor) on Wednesday, July 4th at 7:00 p.m.

2) COLLEGE FOUNDATIONS

Division Chairman, Ron Fussell, will be enrolled in a program of graduate studies at the University of Victoria for the next year or so. His last day on Campus is today and I want to take this opportunity to wish him well in his university studies.

To replace him as Division Chairman for the period of his educational leave, Miriam Bennett has been appointed Acting Chairman of the College Foundations Division, effective July 1st.

Connie Kellough's appointment as English Department Head expired at the end of April and Diane Thompson was appointed, effective May 1st last. It was an oversight on my part that mention was not made of the appointment two months ago.

Our thanks to Connie and Ron for their dedicated service. Congratulations and best wishes are extended to Diane and Miriam on their appointments.

3) CORRESPONDENCE TO AND FROM MINISTRY OFFICIALS

The following is a memo recently received by the College Principal, which is self-explanatory:

"Although many efforts have been made and are currently being made to correct this problem, we are still receiving direct communication from the Ministry addressed to various individuals within the Vancouver Community College organization. In some cases the communication is a mere request for information; in other cases, actual commitments of money and time are involved.

Please advise all your administrators that:

- (1) Whenever they receive written communication directly from the Ministry, unless it is obvious that I also am in receipt of the same communication, they should make a copy and send it to me immediately;
- (2) In responding to routine enquiries from Ministry officials, I should also be copied;
- (3) Commitments involving either time of college employees or funds, cannot be made except through my office.

I'm not concerned with protocol so much as I am with knowing what's going on.

Thank you!"

As far as telephone conversations or visits with Ministry officials are concerned, Mr. Pankratz should be made aware of them, in advance if possible, and their purposes.

4) APPLAUSE IS DESERVED!

Congratulations to Diane Thompson and her Literature class of '79 Summer 'A' Term on the publication FUTURE MEMORIES.

5) LETTERS PERTAINING TO STUDENT ATTENDANCE

This is a reminder that the only official documents, with the exception of fee receipts, pertaining to students attending King Edward Campus, are those issued by Student Records, or in very rare cases, by the Principal or the Deans.

Instructors should not be writing letters on this matter. I have on my desk copies of letters written by two co-ordinators. These were not accepted by the receiving institution and only lead to confusion.

Please direct any student enquiries on this topic to Ruth Moxey in Student Records.

6) HAPPY HOLIDAYS TO ALL!

Barbara Richards will be on holiday from July 3 to July 31. Please direct any queries to Elaine Gardiner Winspear or David Brown.

Betty Pletcher will be on holiday until August 27. Ruth Chiko will be responsible for routine matters concerning the department.

Wayne Bottlinger will be on holiday July 3 to August 24 inclusive. For matters dealing with Programs on Deafness during this time, please contact Roger Ofield (July 3 to July 27) and Alice Nielsen (July 30 to August 24).

M.G.

Malcolm Cant will be on holiday for July August, so referrals to the I.E.P.A. will begin again in September.

The I.E.P.A. Committee wants to thank all those instructors and administrators (with a special 'thank you' to Colin Casey for support and encouragement beyond the call of duty) for their help in making a success of this first year's project.

81 students have been referred to the I.E.P.A. Committee since October 1978. More detailed reports to follow.

7) SCHEDULE CHANGE

For July and August, the King Edward Campus Learning Centre will be closed on Fridays as has been the case in the past. However, the Mount Pleasant Campus Learning Centre will continue to operate five days a week from 10:30 a.m. to 3:00 p.m.

8) PUBLISH OR PERISH

Our erstwhile colleague, Ken Aitken, has published another article on the Cloze Test. It is "Construating a Multiple-Choice Cloze Test of ESL" which appears in the RELJ Journal Volume 9, No. 2 of December 1978. There is a copy in the K.E.C. library.

11) V.C.C.'s PNE PRESENTATION - AUGUST 10 - SEPTEMBER 3, 1979

The College's stand at the PNE will again be under the direction of Cam Avery, our Information Officer.

The main change from last year will be the hiring of staff to provide continuity in manning the booth.

To give greater authenticity, it would be wonderful if King Edward Campus faculty and staff could be there to provide added colour.

Unfortunately, we have no money to pay for you to be there in a "moonlighting" position.

However, if you feel that you could volunteer some of your valuable time to assist, it would be appreciated. In our striving for public support for a new campus, we must all contribute. This is but one way of making the public aware of our activities.

Please let me know by August 3 the days and time at which you are available, even if it is during your vacation. I will then try to prepare a schedule for us.

We cannot provide parking, but we can provide an admission ticket to the PNE for you.

Thank you.

12) POSITION OPENING

Olds College requires an Instructor in their Plant Science and Soils Department. Olds College is located 55 miles north of Calgary, Alberta.

Interested applicants should forward detailed resumes and names of three references by July 18, 1979.

Please see details posted on faculty bulletin boards.

13) JEWISH HOLIDAYS 1979-80

Today I received a letter from the Canadian Jewish Congress showing me, rather belatedly, major Jewish religious holy days for 1979 and 1980.

I have been asked that, where possible, you do not schedule examinations for those days, since those who observe the Jewish laws concerning them are prohibited from writing and travelling.

If your schedule is in conflict, please try to arrange alternatives for individuals so that they are not penalized.

The dates are:
