VISIT TO CAMPUS

On Thursday and Friday this week, Adult Basic Education Co-ordinators in the four western provinces met in Vancouver. At the suggestion of Ron Faris of the Ministry of Education, they spent Thursday afternoon at King Edward Campus to learn about some of our unique programs. We had little more than 24 hours notice of the visit. They met with:

Malcolm Cant:	I.E.P.A.
Helen Cunningham:	Homefront Learning
Grant Kelly:	The Learning Centre
Cindy Onstad:	Basic Education Outreach Programs; ABE-ESL Bridge classes

The visitors appeared to be impressed by both the breadth and depth of our operations. Thank you Malcolm, Helen, Grant and Cindy for your co-operations.

ACCC/CVA CONFERENCE, WOLFVILLE, NOVA SCOTIA

Malcolm Cant and Grant Kelly gave two workshops on the I.E.P.A. programs at the recent ACCC/CVA conference. Both workshops were well attended. Again - thank you.

BASIC EDUCATION INSTITUTE AT POWELL RIVER

At the invitation of the Ministry of Education, Evelyn Battell led a workshop. The Ministry's ABE co-ordinator praised Evelyn's contribution in very complimentary terms. Evelyn has, in recent months, made a number of presentations outside the College, as well as being a member of the provincial ABE consortium.

NEWS FROM AFAR

Among the more interesting revelations of Geoff Flack, now back from his round the world jaunt, was news that Howie Labrum was recently married in Thailand. Howie, who taught in our Night School ELT program for a number of years, is currently on an extended CUSAC appointment in Thailand.

LOST - OH LOST!

Out of three large coffee urns, we now have only one - and that one is missing a lid and the stem that holds up the basket. We still have the two, new, small urns, but one is missing ALL its "innards." Not a very good batting average!

PLEASE, PLEASE search your cupboards, your cabinets (and anyplace else you can think of) and, if you find urns or missing parts of same, return to the Main Office of K.E.C.

How can we keep "Perkin'" without our equipment?????

MAIL WITHOUT A NAME

We have received mail from the U.S. Department of Energy entitled "Transportation and the City" - "Energy in the Global Marketplace" - U.S. Energy Policy, Which Direction?" and "Agriculture, Energy and Society."

If you have requested this information, please see Steve Baker, Receiver, with proof of ordering the material.
