## MEETINGS WITH FUNDING AGENCIES RE V.C.C.'s 1981-82 BUDGET

Last week Wednesday and Thursday, a series of meetings were held with members of the Academic Council, the Occupational Training Council, the Management Advisory Council and the Ministry Standing Committee to discuss V.C.C.'s 1981-82 budget requests. Appearing for the College were three Board members and the senior officials of the College. In the main, the discussions went reasonably well, although the chairmen of the four funding agencies were quite guarded in their comments, presumably so as not to give us any false hopes that our requests would be met.
