LET'S MAKE THAT TOUCHDOWN!!

K.E.C. NOW HAS A TOTAL CONTRIBUTION OF \$3,563.84! The College as a whole has reached the grand sum of over \$11,500! We have \$435.00 to go to reach our goal of \$4,000 - the College has \$489.00 to go to reach the \$12,000 penetration point, which is the original goal.

GO TEAM GO! A small contribution from all of you will do it!

GRAB THE BALL AND RUN! A TOUCHDOWN IS WITHIN A FEW DOLLARS!

RAH! RAH! RAH! - LET'S WIN AND GRIN!

RUN AS FAST AS YOU CAN TO THE GOAL:

Mary Griffith,
King Edward Campus

WE ARE EXTENDING THE GAME FOR ONE MORE WEEK TO GIVE YOU THE CHANCE TO
MAKE THAT TOUCHDOWN!

COLLEGE BOARD

The Vancouver Community College Board met in regular session Wednesday evening, November 12th. Eight of the nine Board members were present.

The College Principal's report - a copy of which has been placed in the library - included mention of the following items: supervised field experiences for two U.B.C. graduate students at K.E.C., and the involvement of Chian-Li Hsu and Rose Marie Watson at a Toronto symposium on second language provision for adult refugees.

After lengthy discussion, the Board passed the following motion:

"That the Vancouver Community College Board request authorization from the Ministry of Education to go to tender for the construction of the King Edward Campus project and to award contracts on the basis of a 1980 third quarter estimate for construction and fees, presently not anticipated to exceed \$20,237,260, which is directly traceable to the previously approved 1979 third quarter base budget of \$17,118,000. It is understood that the project as initially conceived and approved can be built within the budget parameters outlined above, to be further adjusted at the time of actual contract award to reflect cost escalation from 1980 third quarter."

Additionally, the Board passed an additional motion on the provision of day care facilities:

"That the Vancouver Community College Board authorize architectural plans to include provision for a child care facility within the already established physical parameters, at an additional cost of \$120,000, on the expectation that the sum of \$100,000 will be provided by the Ministry of Human Resources and the remainder through the private pledge of \$20,000 already committed."

Thirdly, in order to save on increased costs on the V.V.I. building project resulting from inflation, the Board passed the following motion:

"That the Vancouver Community College Board request authorization from the Ministry of Education to expend an additional \$125,000 (1980 third quarter) for the temporary relocation of Auto Mechanics and Diesel programs upon the Chine Creek site."

The Board's present lease of our facilities at 12th and Oak has

been extended to April 1, 1982. The question concerning the period between April 1st and September 1, 1982 - our expected occupancy date of the new facilities on East Broadway - has yet to be addressed.

One of the concerns expressed by faculty at the time (1978-79) of our institutional evaluation related to the College's practice of selecting administrators. The College Executive Committee addressed the matter and, with input from the two faculty associations and the administrators' group, a policy and procedure was developed. At Wednesday's meeting, the document entitled "Selection of Administrators" was approved.

Reports and background material related to the Board's agenda, as well as the minutes of the Board meeting of October 22nd, have been placed in the library for the perusal of those interested.

NEW COUNCIL

Best wishes go to the newly elected Student Council. The slate of officers is as follows:

President -	Rod MacRae BTSD College Foundations
Vice-President Internal -	Louise Reid BTSD
Vice-President External -	Noel O'Brien College Foundations
College Foundations Rep. -	Angela Antolino College Foundations

The ELT and BTSD Representatives will be appointed shortly. Larry Hunt, who has been designated Chairman of the Activity Committee, is expected to be selected as BTSD representative. George Pseftias, former Council president, acted as Office Manager while the Student Society was "between Councils" and is expected to continue in that role.

The new council is dedicated and have already spent numerous hours selling bus passes. They are anxious to be successful - but they need your help. The position of Chief Returning Officer has been left vacant by the resignation of Dianne Thompson, formerly of the Counselling Department, who has gone to Thailand to work as a Red Cross Nurse.

This faculty position involves overseeing council elections as well as providing advice and support to the council on a limited basis. Ted Hougham, BTSD instructor, has agreed to continue as the Ombudsperson and Rita Shelley is the Financial Advisor to the Council. (Council's financial affairs have been managed by the Administration since March 1980.)

The faculty and staff members play an important role in the learning process of the council. Any faculty member interested in becoming Chief Returning Officer should contact Rita Shelley in the Administration Office as soon as possible.

JOB DESCRIPTION - INSTRUCTORS

Earlier this fall, a draft job description for K.E.C. instructors was prepared, discussed briefly at a Monday afternoon meeting of the Management Committee and then referred to the division chairmen for further discussion at divisional meetings, etc.

Faculty members who have not yet had an opportunity to peruse the job description - and who would like to do so - may obtain a copy from the appropriate department head or dean.
