SONG OF THE PADDLE

Outdoorsman Bill Mason takes his wife and two children on a wilderness canoe camping holiday. In this film the art of canoeing is more than technical expertise; it becomes a family experience of shared joy.

DIVE NOVA SCOTIA

The adventure of scuba diving down in the silent, shining world off the storied coast of Nova Scotia where fish glint and flash above waving forests of seaweed and where ancient shipwrecks still yield surprising bounty from the bottom of the sea.

AW, SHUCKS!

My sincere thanks to the B.T.S.D. staff and all others who attended my recent wine and cheese party. It was one of the nicest things that has ever happened to me.

FROM STUDENT HEALTH

It's out with the old and in with the new. The old being myself, as I'm moving eastward to Calgary, Alberta - and the new being Wendy Chusid, your new community health nurse.

I shall miss all the wonderful people at King Edward (the building I won't miss too much!) and I hope you'll all stop by to meet Wendy and make her feel welcome to K.E.C. Thanks and farewell!
