VOLUME VII, No. 22

September 11, 1981

VANCOUVER COMMUNITY COLLEGE BOARD MEETING

After a two-month summer recess, the College Board met in regular session on Wednesday evening, September 9th.

The President's report to the Board touched on a variety of matters which have transpired during the course of the summer. A copy of the report has been placed in our library.

The College Board dealt with the question of revised tuition fees but, before discussing the matter, the Board heard briefs from the V.V.I. Student Society, the K.E.C. Student Society and the National Union of Students.

After lengthy debate, the Board approved a motion requesting the Minister of Education to approve an increase in tuition fees. The new tuition fees, to be effective 1982 January 01, will be \$175 per four-month term for full-time students - \$42.00 per month.

In two subsequent motions, the Board voted to;

- a) request a meeting with the Minister of Education to discuss funding of post-secondary education and that a student representative from each campus be present for the meeting with the Minister; and
- b) urge the Minister of Education to provide tuition-free adult basic education.

Finally, on fees, the Board approved a request of the K.E.C. Student Society to increase Student Society fees for K.E.C. students from \$3.20 to \$5.40 per four-month term, effective 1982 January 01.

Background documentation on the above as well as information on other agenda items not included in this report, the President's report, and the minutes of the Board meeting of 1981 July 08 have been placed in our library for the perusal of those interested.

H.E.P.

OFFICE SERVICES

For the benefit of new faculty members at K.E.C., please note that the Xerox convenience copier in the Administration Office is strictly for 1 to 5 copies. For all other printing requests, please follow the procedures outlined below:

WORK ORDERS:

Work order forms for typing and offset duplicating requests are available at the faculty work table at the south end of the office. Place these requests in the basket located on the work table. The office manager or assistant are available to advise faculty concerning these facilities. Please note the colour coding of work orders: BLUE - regular work. PINK - confidential work. YELLOW - examinations.

TYPING:

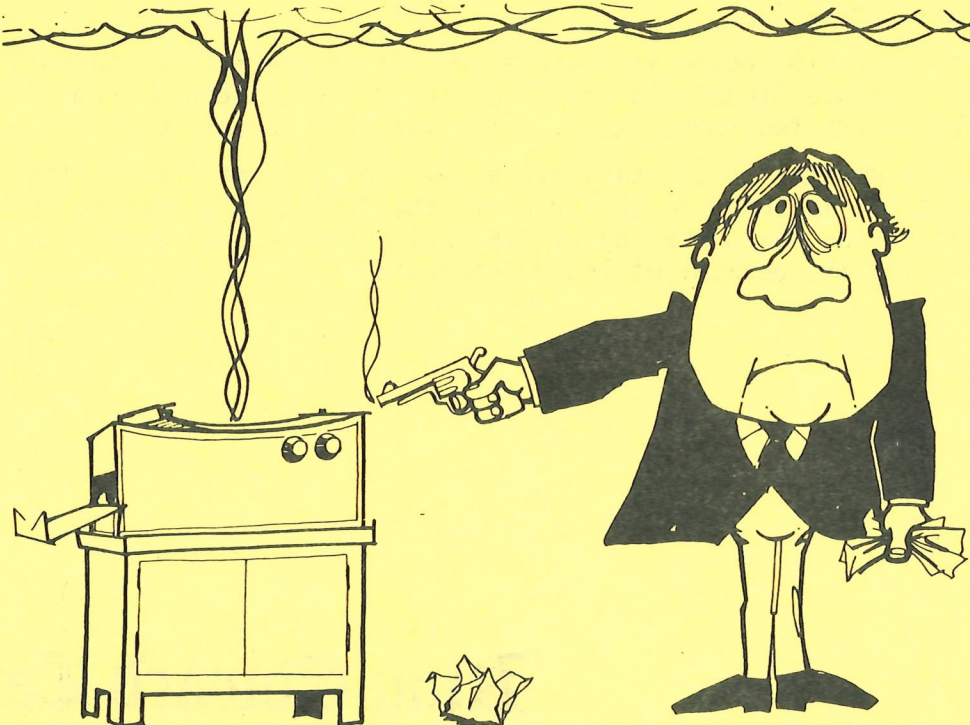

Complete a work order form for materials to be typed. Please allow 2 or 3 days for typing; longer for extensive jobs. If proofreading is not requested, material will proceed directly from the typist to the print room. Every effort will be made to complete typing as quickly as possible.

OFFSET PRESS:

Complete a work order form, allowing 2 to 3 days for completion. Depending on the size of the job concerned and the work load, the printing operators endeavor to return short runs (20 copies and under) within one day; longer runs within 2 or 3 days. Completed work is placed in mail boxes or on the tables outside the print room. Faculty are advised to check these daily.

If you have any problems with your work requirements, please contact D. Moutter, local 30 or M. Griffith, local 29.

D.M.

ATTENTION E.L.T. INSTRUCTORS!

Have YOU got a paper that you would like to present at the next annual TESOL International Convention in Honolulu in May 1982?? OR, perhaps you would like to prepare a demonstration that shows how you do something: - teaching techniques? - testing? - or...?

TESOL has allotted 45 minute time slots at the Convention and is calling for proposals for papers and demonstrations from class-room teachers, materials developers, curriculum designers and so forth. If you are interested in participating, please contact Sandra Venables immediately at Langara; 324-5260 or at her home, 929-2472, for further information. Be prepared to submit a 250 word typewritten abstract of your proposal via Sandra to the TEAL "Proposal Committee" by September 19. Yes, it IS short notice, but first there was a mail strike, then people were on holiday, and then.....

This year, TESOL is encouraging its affiliates, like TEAL, to sponsor presentations. So, if your proposal is endorsed by TEAL, it should stand a better chance of being accepted by TESOL. Also, if TEAL can afford it (right now, the executive committee is still examining the budget), it would like to pay some of the costs of the Convention for the "Presenters" that it sponsors.

SO, if you are interested, phone Sandra NOW! And, in the meantime, please note the yellow information pamphlet regarding the format for the abstracts posted on the bulletin board in the Main Office.

S.V.

CHANGES OF NAME, ADDRESS AND ACADEMIC QUALIFICATIONS

So that our records may be kept up-to-date, please give any changes of the above to Mrs. Akin, the Principal's Secretary.

Name changes and added academic qualifications must be accompanied by official documentation.

R.F.C.

CALLING MR. WHO???????

Last week our switchboard operator received a call asking for "Mr. Little Peterboy." Anyone we know?????

M.G.

WITH PLEASURE

I am pleased to announce that, subject to College Board approval, Robert N. (Bob) Gauthier has been appointed to the position of Executive Assistant, Administrative Services at K.E.C. Among other responsibilities, Bob will assume the assignment of "evening administrator;" his hours will be 2:00 to 10:00 p.m.

Prior to this appointment, Bob worked as an E.L.T. instructor in the Night School Department. He comes to us highly recommended with a wide variety of teaching and department head experience.

When he joins us on September 21st, Bob will occupy the office formerly used by Howard Turpin. Drop by and make his acquaintance and welcome him to King Edward.

Best of luck as you begin your new career, Bob.

H.E.P.

A NAME IS A NAME IS A NAME IS A NAME

Q. Who is Christine Allen?

A. The former Christine Jansen!

She will answer to either name for the next few weeks, but hopes that everyone will soon become accustomed to the new her.

C.A.

Please !

HELP! WE NEED A WATCHDOG!

It would be greatly appreciated if instructors would remind their students that reference material at the Resource Centre are strictly for use within the Centre. There has been an alarming increase in the number of missing occupational files and, while we value the recognition we're getting for our services to students, something must be done to resolve the problem.

Initially, we have implemented a log-in system to all users of the Career/Occupational Information files and, if you have any suggestions, please give Vicky a call at Local 17 or 18. Thanks!

V.M.

FROM STUDENT HEALTH SERVICES

Copy of letter from Diane Rothon, M.D., College Health Services:

"I would like to inform you that I will be taking a leave of absence from September 15th, 1981 to January 15th, 1982.

May I take this opportunity to thank you for your support and cooperation with our Health Services at Vancouver Community College.

During my absence, Dr. Connie Emerson will be standing in for me, offering the full range of services."

Diane Rothon, M.D.

HOT STUFF!

K.E.C. instructor Grant Kelly and former instructor Susan Hampson are among 32 competitors in the Canadian Chili Championship to be held on September 19 and 20 at the Bayshore. They will be assisted in the cook-off by Adult Special Education Instructional Assistant, Laurie Hampson and a select band from the V.C.C. Music Department, among others. Any interested persons who want to come down on either afternoon can cheer on Team VCC who are officially entered as "The Great Canadian Moose and Beaver Chili Caper" aka "Le grand Chili Canadien d'original et castor". Winners of this first annual championship go to Los Angeles in November for the International Championship. But that's another story.

Computer Literacy, Intelligent CAI

1982 ADCIS Conference
Vancouver, B.C., Canada
June 7-11, 1982

The Annual ADCIS Conference is a forum for both formal and informal sharing of computer-based instruction ideas, experiences, research findings, courseware, procedures, policies, standards, and educational strategies. Academic, commercial, government, and private groups are invited to attend and participate by discussing ways in which the field of computer-based instruction can be properly advanced. Demonstrations of hardware, software, and courseware are also solicited.

Themes:

Papers on all topics relevant to computer-based instruction are welcome, but topics on this year's themes will be given top priority. The 1982 Conference will have two themes, both of which will help people make better use of computers and help computers become more useful for education:

Computer Literacy

The rapid advances in technology which have made educational uses of computers possible and affordable have left many people behind. Educators need to be computer-literate not only to explore using computers as instructional aids, but also to meet today's need for teaching computer concepts.

Intelligent CAI

Use of computers in instruction has attempted to adapt the instructional process to the individual student in the most friendly, encouraging, and effective ways possible; however, programming the necessary interactions has been extremely difficult. The level of adaptivity has therefore been a tradeoff with courseware development expense.

Research in expert systems techniques for teaching and modelling learning promises real breakthroughs in computer-assisted instruction. Using these new approaches, "intelligent" teaching systems demonstrate new levels of adaptivity which may be the future of computer-based instruction.

Types of submitted presentations given at ADCIS Conferences are: Topic Presentations, Project Reports, Commercial Seminars, and Panel Discussions.

CONTINUING EDUCATION PRESENTS

START RUNNING AND KEEP RUNNING--RECREATIONAL RUNNING FOR BEGINNERS

beginning runners come join this course

because: there's more to running than putting one foot
in front of the other

think about it: nutrition, running styles, shoes and clothing,
complementary exercises, injury prevention,
training programs, fluid balance and more
must be considered

objectives: to be able to run 3 to 5 miles without stopping
to incorporate running into your lifestyle

you will be running, talking about running, getting feedback on your running,
and taking a few field trips

START RUNNING AND KEEP RUNNING--RECREATIONAL RUNNING FOR BEGINNERS

The instructor is TED KIRBY, who, after 14 years of degenerate living (i.e., smoking), has completed a marathon and many other races in the last three years. He is an avid reader of running literature and is a member of the West Coast Striders Running Club. Ted also has a B.A. from the University of Toronto, a professional certificate from the Toronto Teacher's College, 10 years of elementary and secondary teaching experience, and 5 years of instructing BTSD English at the King Edward Campus.

A maximum of 15 students will be admitted, so register now at the King Edward Campus. Mail registration is accepted (send no cash).

Cost: \$30.00 for 16 sessions

Mondays and Wednesdays 4:30 PM - 6:00 PM Room 110 (showers available)

BEGINS SEPTEMBER 14
