

# KING EDWARD TIMES

VOLUME VII, No. 48

March 25, 1982

Many thanks and much appreciation go to all members of the committee who devoted much time and effort to make this year's King Ed Day one of our most successful!

The workshops were informative, interesting and fun - the food fantastic - the "burning" ceremony innovative. A special day such as this could not have gone so smoothly without great organization, cooperation and enthusiasm.

On behalf of the faculty, administrators and staff - we thank you!

### GOOD NEWS!

If you missed the opportunity to view the following videotapes during the King Edward Day bash, we intend to keep them permanently in the Resource Centre:

#### BUSINESS

\* Managing Production and Budgets

#### INTERIOR DESIGN

\* Where to Begin

\* Space Planning

#### COMMUNICATION

\* Effective Public Speaking

As we leave the past and move to the present, the crystal ball says we'll be needing a lot of planning for the new campus. That's what some of these videotapes are for.

Come and make arrangements for booking. FIRST come, FIRST served!

### A HEALTH PROBLEM: AFFLICTED WITH SHINGLES!

More and more doctors are running their practices like an assembly line. One fellow walked into a doctor's office and the receptionist asked him what he had. He said, "SHINGLES". So she took down his name, address, medical insurance number, and told him to have a seat. Fifteen minutes later, a nurse's aid came out and asked him what he had. He said, "SHINGLES". So she took down his height, weight, and a complete medical history and told him to wait in the examining room. A half-hour later, a nurse came in and asked what he had. He said, "SHINGLES". So she gave him a blood test, an electrocardiogram and told him to take his clothes off and wait for the doctor. An hour later the doctor came in and asked him what he had. He said, "SHINGLES". The doctor said, "Where"? He said, "OUTSIDE IN THE TRUCK - where do you want them?".....

IF I HAD MY LIFE TO LIVE OVER ....

- ... I'd dare to make more mistakes next time.
- ... I'd relax. I would limber up. I would be sillier than I have been this trip.
- ... I would take fewer things seriously.
- ... I would take more chances.
- ... I would take more trips.
- ... I would climb more mountains and swim more rivers.
- ... I would eat more ice cream and less beans.
- ... I would perhaps have more actual troubles, but I'd have fewer imaginary ones.

You see, I'm one of those people who lives sensibly and sanely hour after hour, day after day. Oh, I've had my moments and, if I had it to do over again, I'd have more of them. In fact, I'd try to have nothing else. Just moments... one after another, instead of living so many years ahead of each day. I've been one of those persons who never goes anywhere without a thermometer, a hot water bottle, a rain-coat, and a parachute. If I had to do it again, I would travel lighter than I have.

If I had my life to live over ... I would start barefoot earlier in the spring and stay that way later in the fall. I would go to more dances. I would ride more merry-go-rounds. I would pick more daisies.

(the author of the poem is an 87-year-old woman who recently died in an old-age nursing home).

OOPS!!.....

Instructional Media Services (nee A/V Services) is caught in a jam which will affect service to instructors and staff at K.E.C. in the foreseeable future.

One of our staff members, David Wooding, is involved with the VMREU Union Negotiating Team. Negotiations are beginning to "warm up" and Mr. Wooding will be called upon to be absent from his work station for extended periods of time.

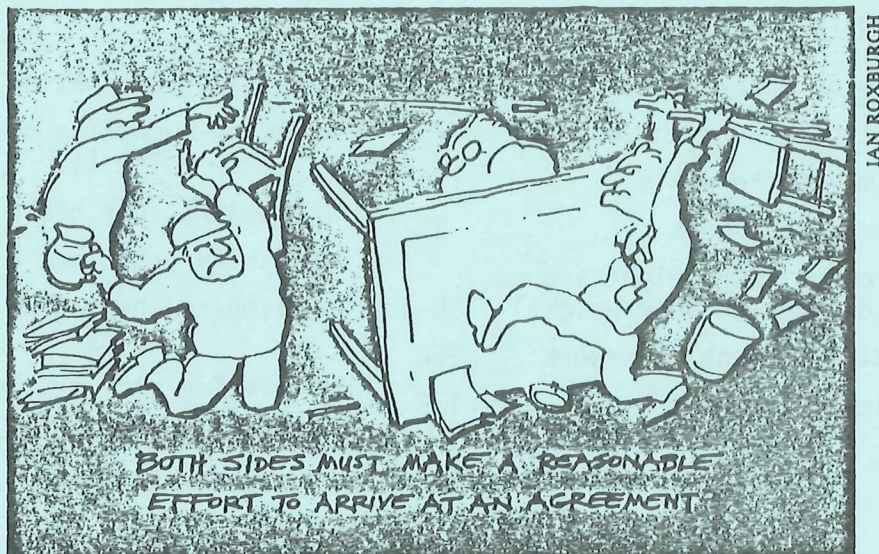

Unfortunately, the Department has two position vacancies, both of which are subject to the hiring freeze and thus no ability to provide alternate coverage for Mr. Wooding.

We will do our best to find other means of maintaining service, BUT.....

Please understand our plight if you find our service point shut down for extended hours. Sincere apologies.

Here comes the first one! - - Tuesday, March 30 from 8:45 a.m. to 2:00 p.m.
