Information Concerning Budget Reductions - Bulletin II

On Friday, 1982 July 30, Ministry of Education officials met with school superintendents and college chief executive officers to outline in person and in writing the budget reductions we will be required to implement for the remainder of the current fiscal year.

At Vancouver Community College we must reduce our operating budget by \$896,900.

This sum, while large in absolute terms, would represent approximately two percent of our annual budget if the reduction had been made on April 01, the beginning of our fiscal year. If we are able to effect cost reductions by September 01 they will range between three and four percent of the balance of our budget.

Our College Board is required to submit a plan to the Ministry regarding our method of reduction. This plan is to be submitted preferably by August 31 and no later than September 15.

In order to meet this tight timetable certain actions have been and will be taken as follows:

1. All out of province travel is frozen immediately. Exceptions may be made only by the President.
2. College employees representing the various groups within the college will be invited to meet with the President on Thursday, August 05, to receive complete details of the Ministry's plans and directives.
3. The College Executive Committee will meet Tuesday, August 10, to consider recommendations to the Board for reductions based on the following Ministry priorities:
 - i) Reduction of non-salary items which will not reduce instruction.

Page Two

- ii) Reduction in salary increases for the balance of the year. The College Executive Committee will not be proposing such action to any employee group until the Board has had the opportunity to consider the non-salary reductions and any differences between that reduction and the total required reduction (\$896,000).
 - iii) Possible lay-offs. These require approval of the Minister. It is my strong hope we will not have to request such approval for Vancouver Community College.
4. The V.C.C. Board will meet Wednesday, August 11, to review the Ministry directives, the C.E.C. recommendations and consider its options.

We are facing a difficult period of belt tightening in Vancouver Community College. However, I believe that by sharing information and exchanging ideas we can maintain a strong educational enterprise worthy of our community.

As further developments unfold, I will endeavour to keep you informed.

ATTENTION FILM USERS

The library has received notice from BCIT that a charge of \$10.00 per film will be levied on all items borrowed from BCIT film collection, effective July 22nd.

We borrow quite heavily from this source and, although alternative sources are now being sought, film users should note that, in future bookings, the charge of \$10.00 may have to be debited to the department concerned. At present, only four films for future showing are confirmed from BCIT and, hopefully, these can be cancelled if an alternative source can be found.

STUDENT HEALTH EVENING SERVICES

will continue in Jan's absence. We are lucky that Faye Graham has agreed to work Jan's August schedule, both here and at Strathcona. So services will continue as usual. Welcome, Faye.

P.R.

HELP US MAKE STUDENTS AWARE

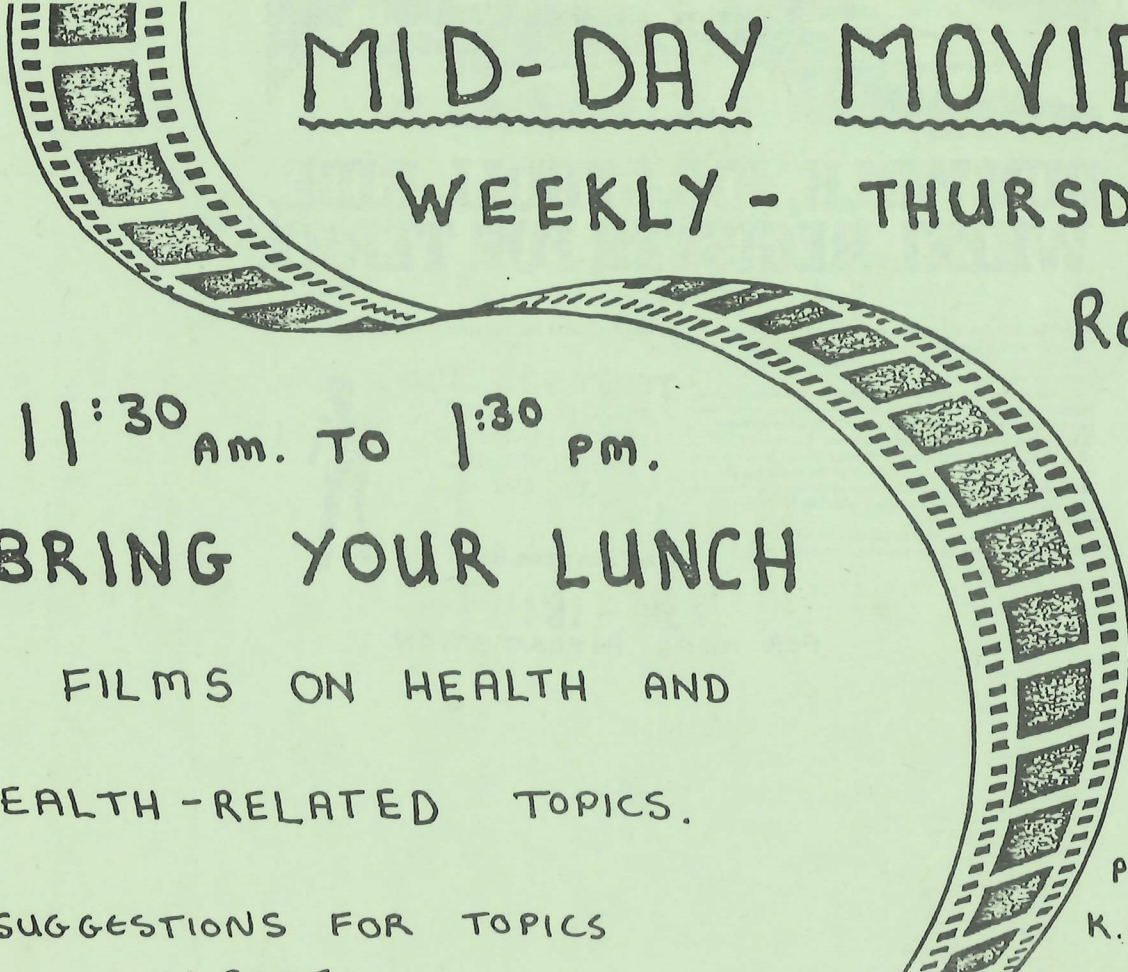

of the Student Health Service. Surveys of the students show that many are not aware that they are entitled to use the free Student Health Service.

In order to increase the students' awareness of our service, we would like to suggest that teachers invite Pauline (day nurse) or Jan (evening nurse) to their classrooms at the beginning of each new session. In a 30-minute session, we would show our Health Service Slide Presentation, distribute pamphlets, and answer questions.

For E.L.T. teachers who would rather give the information to students themselves, we will lend the slide presentation, tape, and written commentary, as well as supply a class set of pamphlets and book marks.

Please invite us at your convenience by calling local 34, or drop by to Room 318.

FROM THE RUNNERS' CORNER.....

Three members of the V.C.C. "no name" running club ran the H & L Athletic Fun Run. Stephanie Greenall won a second place finish in her age group with a five mile time of 35:17, while Greenall, the elder, finished one second later. Al Bradshaw represented the club in the 1/2 marathon event (1:40:00). Congrats, crew - well done!

A five man team will represent the club in the 55 mile Baker to Bellingham relay on August 7. Due to the lack of "gum shoes" during the summer vacation period, we are including guest stars. John Oxley from the YMCA High Steppers and Jerry "Big Man" from the Bellingham Running Club. Good Luck Guys!
