V.C.C. BOARD MEETING

The agenda of the College Board meeting of Wednesday, October 20th, included a number of items, several of which are discussed briefly below.

The College President's report to the Board was longer than usual and covered items ranging from fall term enrolment to lower mainland course/program rationalization to temporary funded course to King Edward's new campus, etc. (A copy of the report is on our library for your information.)

The Education and Student Services Committee of the Board brought to the Board's attention - and approval - motions dealing with;

- entry level training,
- goals and objectives,
- diploma in general education, and
- student access.

An item on the agenda dealt with financial aid for students. However, because the two ministers concerned (McGeer and Vander Zalm) have announced the release of funds for the "grant" portion of students' requests for loans/grants, the agenda item was not pursued.

During the private session of the Board, two noteworthy actions were taken.

1. The lowest tender on kitchen equipment for the new campus - from Russell Foods - was approved.
2. A proposal developed at this campus and pursued by our International Education Committee involving the completion of grades 11 and 12 by students from Hong Kong, all to be provided by the College on a fully cost-recoverable basis, was referred to the Education and Student Services Committee of the Board for study and recommendation respecting the propriety of the Board becoming involved in this form of educational activity and service.

ENGLISH PLACEMENT TEST

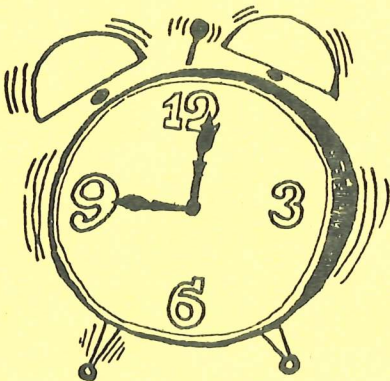

The next English Placement Test will be held on Tuesday, 1982 November 09 in the following rooms:

Room 156	09:00	BTSD
Room 165	08:30	College Foundations
Room 168	10:30	College Foundations
Room 145	08:30	English 099
Room 168	20:00	All Students

The Educational Research Institute of British Columbia, which administers the test, is considering the possibility of pre-registration.

Students who anticipate entering Langara Campus, or one of the British Columbia universities in September, and who have not already written the English Placement Test, must write it at one of those institutions prior to registration.

THE PARTY WAS A HUGE SUCCESS!!!

Thanks to the wonderful cooks, the great music and all you hungry participants, the Chili Cook-In was a huge success!

Everyone had a great time sampling all the chilies, breads and soft drinks, enjoying the music, getting acquainted with people they hadn't met before, and knowing that the United Way would be a little bit richer and thus able to help people a little bit more!

The total take at the Cook-In was \$324.00!!!!

To date, our K.E.C. contributions are:

* \$5,978.96

We are well on our way to our goal of \$8,000 and I think we can make it by November 15.

Don't forget our "RAINBOW SALE" this coming Monday, November 1st in Room 110 from 12:00 noon to 4:00 p.m. Come and buy a Rainbow and know that, again, your contribution will go to UNITED WAY.

Thank you again for helping to make the Chili Cook-In so very successful.

*The above total includes \$41.00 from the "No Name" challenge run described on another page in this issue.

41 runners represented K.E.C. (the largest turn-out of the College!).

Congratulations - we are proud of each and everyone of you and greatly appreciate your efforts to support the United Way.

Mary Griffith
Campus Rep.

UNITED WAY NO NAME CHALLENGE RUN

It was great to see the 97 souls who braved the elements to participate in the 2nd "No Name" challenge run. Proceeds from this event went to the United Way. Even though VCC outmanned the Y, the Y won the 5 miles by squeaking out a win with an average time of 33:28 compared to VCC's 34:48. VCC countered with wins in the 2½ miles (Y at 27:35, VCC at 25:30), and 1½ miles. We won the 1½ miles hands down as we had the only entries. Keith Oberding swam an equivalent distance at the Aquatic Centre. You should have come out to the seawall Keith, the tide was in! Joyce Johnstone was passed by Bandit and Buffy. Bandit and Buffy said it was the other way around!

Electrolyte was replenished at the Century Plaza Hotel where awards were presented later. The Y Golden Sneaker was presented to Ed Edmondson who arrived early (a week) ran the seawall, then showed up later on race day to run the 5 mile course. Sure sounds sneaky to me. Someone should check to see if Ed shows up next Saturday to run the same course again!

Yours truly got the VCC sneaker - nobody told me why though. Good effort, crew, it was for a good cause. The VCC runners total contribution to the United Way was \$61 and the KEC contribution was \$41.

Upcoming Events:

- Oct. 31 Richmond Flatland Marathon 10K
- Nov. 7 12th Annual James Cunningham Seawall race
- Nov. 12 Khahtsahland Road Race
 (See Dave Greenall for entry forms)

- Note: -If you plan to run the Seattle Marathon, see Dave Greenall about transportation and lodging.
- A contact sheet of the VCC - YMCA No Name Run photos is available from Dave Greenall.

"SOMETHING SPECIAL HAPPENED"

Last Wednesday and Thursday, Ms. Souad Sharabani visited the Basic Education Department. Seven years ago, Souad was virtually illiterate; she was visiting us because she is in the process of doing a radio-documentary on illiteracy in Canada for CBC International. She talked to the students about her life and experiences, and over half the students volunteered to be interviewed. Everyone - Souad, students and instructors - agree that something special happened over the two days and that no one is going to forget the experience quickly.

and films

"NUNATISAQ - THE GOOD LAND"

This official film of the Inuit Tapirisat of Canada, narrated by an Eskimo woman in Yellowknife, explains their position as Canadians today in relation to their heritage.

"A VISIT FROM CAPTAIN COOK"

A short film which uses historical paintings to re-enact Cooks stopovers on the west coast of Vancouver Island during his search for a North West passage to the Orient.

"KEEPERS OF WILDLIFE"

Canada's wilderness areas harbour some of the last remaining species of North America wildlife. This film shows what is being done by specialists of the Canadian Wildlife Service to prevent further depletion of their number.
