LIBRARY UPDATE

The planned move for the Library has been set back by one week and will now take place 15th to 25th April.

During the week of 11th to 15th, the Library will not be open during the evenings (closing at 5:00 p.m.) and, additionally, the Library will be closed during the morning of Wednesday 13th April, to allow for telephone training of staff at the new campus.

We plan to close for the week of 18th to 22nd and hope to reopen for business as usual on Monday, April 25th.

The FINES AMNESTY will continue until the end of April, after which time fines will be increased from 10¢ to 25¢ and will apply to ALL overdue material. Please get your overdue library materials returned as soon as possible. There will be a night return slot at the new Library.

Material issued for TERM LOAN should be returned before 1st May for restamping:

STUDENTS' SCHOLARSHIP

A \$650 Scholarship to attend a symposium, Communications & Culture in Canada, is available to students. The Symposium is at the Terry Fox Canadian Youth Centre in Ottawa from August 7 - August 19, 1983. Students must contribute \$245. The \$650 scholarship is not actually received by the student. It is used by the Centre to cover students' airfare, lodging, meals. Except for pocket money, \$245 is all that students must pay. The Symposium will cover media, government, etc. Students will have an opportunity to meet top ranking officials. Students require the endorsement of the College so must have excellent recommendations from instructors.

Those students interested in applying, should contact me immediately. The deadline is May 15th.

ON THE MOVE..... PACKING!

As the Administrative area will be moving at the end of the month, I think it time we all started to clean out file cabinets and desks of all unwanted/unused items. A large refuse cart has been placed at the rear of the Administration Office. "Let's fill it."

No broken bottles or dead cats, please!
