CHIAN-LI HSU
KING EDWARD CAMPUS

Dear Chian-Li

Last Friday you stepped down from the helm as Department Head of School Canadiana, an appointment you have held since 1980 January 01. For nine months prior to that you were Coordinator of the program.

Your resignation came as a surprise to many people since everyone knew what an excellent job you have been doing. During your stewardship you have had to deal with many problems, not the least of which dealt with accommodation. The ways in which you handled your myriad of frustrations are an example to all. At all times you were loyal to your instructors, and though your program was isolated from the main campus, you maintained it as a part of the whole Vancouver Community complex.

Your contributions to the residents of Chinatown and to those who came into Chinatown will be long remembered. You have carried out a very difficult, almost impossible task in an exemplary manner, well beyond the normal call of duty.

I wish you well in your future plans and aspirations.

Sincerely,

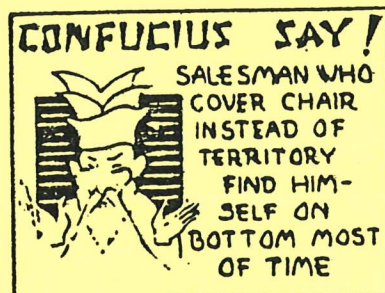

R.F. Cunningham
Dean of Instruction
