IDENTIFICATION OF GRADUATES WHO HAVE ACHIEVED SOME DISTINCTION IN THEIR CAREERS

I received a memorandum from Howard Naphtali last week. His memo was captioned as this item is. Here is what he wrote:

"As a beginning of a campaign focussed on V.C.C. graduates, we wish to identify graduates who have been particularly successful in their chosen careers. It was noted in the June issue of "Equity" for example, that Bruna Giacomazzi, a secretarial graduate of V.V.I., is now a Vice President of the Mercantile Bank.

Now, we are not just looking for Vice Presidents, but graduates whose success is reasonably substantial.

We would appreciate your help in providing a list of graduates from your campus who can be so identified."

But I don't know who they are. Do you? If you do, would you please send the name(s) of our graduates who have been "particularly successful in their chosen careers", along with a brief descriptive note, to Howard? He's on the 5th floor. Many thanks.

G.E.D. TESTING

The June 8/9 and June 22/23 G.E.D. tests are completely booked and have a large overflow of students requesting permission to write. Consequently, two more test sessions will be set up in July to accommodate both the overflow and new requests. The exact dates are not yet known, but we should be informed by the end of next week, at which time you could notify interested students.
