DUPLICATING ORDERS

Please submit all duplicating orders in the administration office on the table provided. Most orders will be placed in your mailboxes. If too large for the mailboxes, a note will be placed there when the material is ready and you can pick the order up in the duplicating area.

SUPPLIES

Please order your supplies in advance by filling out the supply order form on the same table where duplicating orders are submitted. Small supply orders will be placed in your mailbox.

MAIL

Outgoing mail is to be placed in the baskets provided on the table in the administration area (same as above). Your individual mailbox is ready for use (just inside the administration doors). On another page in this issue of the Times is the "Mail Run" schedule of our courier, which starts May 30th.

Large envelopes sent "third class" must be stapled before submitting to the mailroom. "First class" mail must be sealed, if large. Ordinary "business" envelopes may be left open. Please write your department number in the upper left-hand corner of the envelopes so that your department can be charged postage.

SMASHING EXCUSES

Metropolitan Life Insurance Company receives a long list of explanations for automobile accidents... such as:

"The pedestrian had no idea which direction to go, so I ran over him."

"The car collided with mine without warning me of its intention."

"I had been driving my car for 40 years when I fell asleep at the wheel and had an accident."

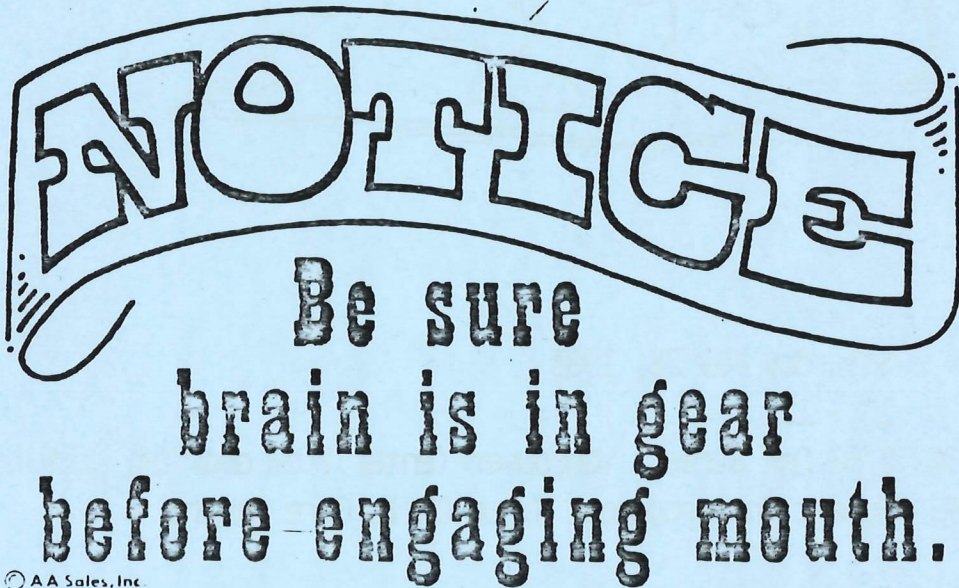

"As I reached an intersection, a hedge sprang up, obscuring my vision."

"I pulled over to the side of the road, glanced at my mother-in-law, and headed over the embankment."

"The guy was all over the road. I had to swerve a number of times before I hit him."

"The indirect cause of the accident was a little guy in a small car with a big mouth."

TO ALL DEPARTMENT HEADS

The Building and Grounds Department, which supervises the cleaning of the campus, has asked for a current room schedule so that rooms may be cleaned during the day when they are not in use. The only official current classroom schedule is kept on display on the wall outside J.D. Brown's office on the 4th floor. This schedule is kept up-to-date by Shirley Girvan; would you please ensure that she is provided with up-to-date information at all times.

J.D.B.

"No, I don't get overtime for keeping you after school."
