## BOB BOWMAN

Bob Bowman, a highly respected sessional instructor at KEC - and before that, at Langara - teaching Canadian Viewpoints to captivated audiences of students from 1967 until his retirement at age 70 in 1980 - died a week ago; he was at his fishing camp on the Cains River in New Brunswick, where he usually spent his summers, at the time of his death.

Mr. Bowman lived and breathed canadians and, because of his enthusiasm and his love of his country, he was able to bring to life stories, characters and events that, without his touch, may have been relegated to the dust-bin, but with his telling, became very much alive for his students.

His colleagues and former students will remember him fondly as a great teacher, as an exciting story-teller, as a warm friend, and as a great Canadian.

An executive came home and slumped in his chair with a discouraged look. "What's the matter, dear?" asked his wife.

"You know those aptitude tests we give our employees?" he replied. "Well, I took one today — and it's a good thing I own the company."

A CHANGE IN STAFF - COUNSELLING DEPARTMENT

For those people who have not already heard the bad news, Steve Sigmond has resigned his position in the Counselling Department to take a new position with the Juvenile Services to the Courts, Forensic Psychiatric Commission. In his new position, Steve will be in private practice as a consultant to the Commission.

Besides paying him considerably more dollars, his new job will give him a chance to return to school to complete his Doctorate Degree.

Congratulations and good luck Steve. I know you are going to be missed by your colleagues in the Department, and from the letters of appreciation I have received from faculty and staff, by other Departments as well.
