SUBSTITUTE CALLS TO TASCO

As we have a 24 hour service from TASCO, a sick call may be made to the answering service at any time. However, the calls are only picked up by the K.E.C. representative during certain times of the day, so sick teachers must leave plenty of time for substitutes to be found.

The calls are picked up for 8:00 or 8:30 a.m. classes between 6:45 and 7:15 a.m. A call for an early morning substitute which comes in after 7:15 a.m. can cause a problem. It is not always possible to find a substitute immediately and can take several phone calls. This all takes time. Imagine if you were a substitute teacher, being called 45 minutes before a class was due to start. Calls are picked up more or less hourly during the day until 2:45 p.m. After that, a sick call for a 7:00 p.m. class is considered an emergency and a teacher should contact his/her supervisor.

Lesson plans should not be given to the TASCO telephone operators. Their job is to receive the following information which is passed on:

Name Phone number Reason for absence

Class time Level of class Location of class

The call is picked up from TASCO. A substitute is found. The substitute then calls the teacher for details.

FOR YOUR WALLET

WORKSHOP

A practical student information session on the topic of "Career Exploration and Decision Making" will be held on TUESDAY, September 25th, at 10:00 A.M. in the Counselling Centre. This input on the various services available to KEC students will be particularly useful for persons experiencing uncertainty or confusion about such things as the choice of a career or job, and their educational/career goals.

Please direct any interested students to register in the Counselling Centre. Faculty and Staff, desiring to preview the information before referring students, are also welcome. Due to limited space, please inform us if you intend to come. Thank you.

Loren Houldson

Faculty are encouraged to remind students that bag lunches, food and drink may be consumed in the cafeteria or in the open plaza, but NOT in the classrooms.

If food is purchased in the cafeteria, it should be eaten there. Please ask that plates, cups, cutlery not be removed from the dining area.
