MEMORIAL GIFT FROM MRS. JOYCE LYDIARD

Mrs. Joyce Lydiard, coordinator of our program for visually-impaired adults has presented two gifts - an Apple IIe Computer and an Echo II Modified Voice Synthesizer - for the use of students and staff of our adult visually-impaired program at KEC. The gifts are in memory of Mrs. Lydiard's husband, Jack, and her long-time friend and co-worker, Isabel Midmore, respectively.

On behalf of the College and, in particular, on behalf of our visually-impaired students, many thanks, Joyce, for the equipment; I know the two items will be most-appreciated and extensively used.

(Anyone wishing to see a demonstration should contact Mrs. Lydiard for a convenient time.)
