### TO ALL INSTRUCTORS

The Canadian Red Cross would like your help in organizing Blood Donors from King Edward Campus.

One of your students is prepared to organize, with your encouragement, volunteers from the Student Body to donate blood on a regular basis.

The Life-Bus section will provide transport for these volunteers in batches of 8 - 10 at times suitable to them and to the College. The all-over time is approximately one hour away from the Campus.

Ordinarily secondary schools are, at the present time, providing a great deal of badly needed blood from their Grade 12 students, and the Red Cross would appreciate anything you can do to interest the more mature students in this project.
