## GOOD-BYE, TONY

The years have gone by all too quickly and, in the main, they've been seven good years.

I'm sure that I speak for all of my fellow-employees at this campus when I say "thank-you, Tony, for your leadership and dedication to the task at hand." While the College - this campus - has a mission to fulfill which by far transcends the abilities and commitments, the dreams, aspirations and possible accomplishments of any one person, nonetheless that which has been achieved during the years that you've been at the helm is highly visible, of long-lasting significance and much appreciated. Thank you for a terrific job as our Chief Executive Officer.

And so, as you say your farewells to Vancouver and to Vancouver Community College, we say 'au revoir' to you, hoping that it will be our good fortune to meet again. God bless.

Harry Pankratz

WORKERS' COMPENSATION BOARD REPORT

On January 31, 1985 air samples were taken at four locations on campus. The samples have been analyzed and they indicate that there is no violation of Industrial Health and Safety Regulation 13.01. These laboratory results have been posted throughout the campus.

KUDOS FOR TED

Last Saturday, at a sundown "potlatch" at Camp Alexander in Crescent Beach, representatives from many college "tribes" in B.C. gathered to honour Ted Anderson who leaves with wife, Amy and daughter, Kanami on March 1 for a teaching position in Japan. There were friends from the Capilano, Kwantlen, East Kootenay, Cariboo, VCC and Malaspina tribes as well as the Ministry of Education. Gifts were presented, stories told, and kudos bestowed upon Ted who has touched the lives of many with his instructional skills workshops and facilitator training. We join with the others in saying, "Thank you Ted and good luck!" Soyonaro.

FROM KEC LIBRARY

LIBRARY FILMS AND FILM BOOKING

The staffing of library clerical tasks is still being hurt by the current economic restraints. The latest victim is the routine inspection of all films as they are returned from use.

INSPECTION OF 16MM FILMS IS NO LONGER BEING DONE AS THE FILMS ARE RETURNED.

IN ORDER TO MINIMIZE PROBLEMS AT SHOWING TIME, PLEASE REPORT TO THE LIBRARY (FILM BOOKING) ANY DAMAGE ON THE FILMS AS WELL AS MISSING LEADERS OR TAILS.

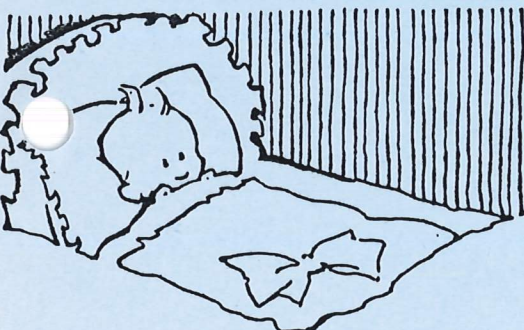

Thank you. This should make it better for the next person to use the film.

BARBARA BOWERS

It's with regret that I have received Barbara Bowers' resignation as Chairman, Communication Arts Division, effective 1985 May 01. Mrs. Bowers has served the College and her division very effectively as division chairman for over five years and I know that she'll be sorely missed as spokesman and advocate for her division.

There's always tension attached to the role of division chairman; the incumbent is first a member of faculty and secondly - maybe I should say "and equally" - a member of the administration. Mrs. Bowers walked the "tight rope" expertly; I won't say "with ease" because we don't always know the inner tensions that are created. I know that Mrs. Bowers, on more than one occasion, served as my conscience; and I appreciated her the more for it.

She has done, and is doing, a great job. She has asked to be relieved of the chairmanship responsibilities and I've accepted her resignation.

Thank you, Barbara, for a good job well done.

After a well-deserved vacation in late spring and early summer, Mrs. Bowers will return as a member of faculty in the English Language Training Division.

Applications for the chairmanship of the English Language Training Division (new name) will be invited very soon. (The posting may be ready as early as this afternoon - definitely by next week.)

Because of the relatively short time available, the effective day for the appointment will probably be June 1st or July 1st.

FROM THE BOOKSTORE

\* \* \* YEAR END CLEARANCE \* \* \*

Inventory must be taken at the end of March. We say "We would rather sell it than count it". Therefore, for the period from March 4th to March 27th almost everything in the Bookstore will be on sale. Prices will range from 10% to 50% off regular prices. The specials are too numerous to list in detail, but here are some of the highlights:

- All Stationery and School Supplies 25% off
- Novels/Pocketbooks/Miscellaneous titles 10% off
- Carlton Cards Products 25% - 60% off
- Calculators 10% off
- Clothing and Panty Hose 10% - 20% off

Many other selected products will be available at discounts greater than these. Stop in at the Bookstore as they will be marked and on display. REMEMBER, THE SALE STARTS MONDAY, MARCH 4TH AND RUNS TO WEDNESDAY, MARCH 27TH.

The Bookstore will then close March 28th and 29th while we count anything left over from the sale.

Department Heads with funds still in their budgets (yeah, there may be one or two) should keep in mind all sales prices and discounts will apply to products charged on the monthly billing forms.
