VISITING POLITICIANS

At the College Board meeting of 1985 April 24, the Board asked us to inform/include Board members when M.P.'s or M.L.A.'s are present on campus.

When you invite an M.P. or an M.L.A. to visit your classes, the administration is not always informed before the fact. Please tell your department head as soon as your politician accepts your invitation. We, in administration, would like to meet the politician too.

Thank you, in anticipation.
