LETTER RECEIVED BY DR. PAUL GALLAGHER

Dear Dr. Gallagher:

With the introduction of legislation establishing the Open Learning Authority, the Steering Committee of the Board has approved a process of filling key positions.

The Board Committee has approved an organization plan and job descriptions for six key executives. It expects some, but not all, to be filled from the existing officers and staff of the Open Learning Institute and the Knowledge Network.

When the key officials are appointed, the reporting relationships of existing units and staff will be altered to correspond with the new organization structure.

The Steering Committee would appreciate an expression of interest from British Columbian educators, with demonstrated leadership in open learning and distance education, in being considered for any of the positions:

- * President
- * Principal, Open College
- * Vice-Chancellor, Open University
- * General Manager, Knowledge Network
- * Executive Director, Administration and Bursar
- * Executive Director, Development Directorate

For further information and an expression of interest, please call or write in confidence, by June 16, 1986, to:

Mr. Larry T. McAuley, C.M.C.
Deloitte Haskins & Sells
Suite 200
1055 Dunsmuir Street
