KEC Tuition Fees for classes beginning in September 1986

The schedule of tuition and other fees for courses and programs offered at KEC was printed in last week's issue of the King Edward Times. A number of minor errors or inconsistencies were discovered and consequently, the corrected revised schedules, dated 1986 July 23, appear elsewhere in this issue of the Times.

Copies of the schedules will now be posted, be made available to prospective and returning students, sponsoring agencies, etc. The schedules will be re-printed in the Times approximately the second or third week of August.

Instructors in the ABE Division: please note the early registration incentives.

DRASTIC TUITION FEES REDUCTION

Have you read the Adult Basic Education Fee Schedule printed in today's King Edward Times?

Did you notice that ABE fees have been reduced considerably?

Do you know that a College Foundations student who enrolls in three or more courses, gets one free?

Do you know that the College Foundations fees are lower for the student who enrolls on or before 1986 August 26?

Do you know that ABE students whose tuition fees are monthly-based, get every third month free?

Please give this good news to ABE students, potential ABE students, and friends and relatives of people who might wish to be ABE students. Some sections may fill up quickly, so please spread the good news quickly.

INTERNATIONAL EDUCATION OPEN HOUSE

Just a note to say "Thank you!" to you all who participated. Your contribution and accommodation made the event a success. The visitors who attended the tours were particularly impressed by the "real" KEC.

Look forward to your involvement again in the next Open House.

BOUQUETS OF APPRECIATION FROM CECILE MILLIGAN

As my official early retirement date (July 31st) is fast approaching, I would like to take this opportunity to thank those who contributed toward the fun party which was enhanced by the beautiful gifts which are superb keepsakes. After 23 1/2 years on the VCC support staff, I was most grateful to all those who were able to attend said function and for the contacts made from those who were unable to participate at that time.

I would like to express my gratitude to the chief organizers of the aforementioned and they are Jo Hansen, Steve Baker and Zinnet Bilgin. In addition, I appreciated being the guest of honor at the Italian Cultural Centre for a most enjoyable luncheon hosted by the KEC Administrators.

Thanks again to all concerned for the memories!
