FROM THE VANCOUVER VOCATIONAL INSTITUTE

Vancouver Community College is pleased to announce two instructor training initiatives: the Train the Trainer Program, the Instructor Training Program. These programs will be offered at the Vancouver Vocational Institute (VVI) campus.

TRAIN THE TRAINER PROGRAM*

This program is designed to prepare the technician, technologist, tradesperson or professional with the necessary knowledge and skills to train others. The program forms the first level of the more advanced Instructor Training Program, described below. The Train the Trainer Program emphasizes a highly practical 'hands on' approach to the design and delivery of instruction and the evaluation of learning. Course titles are: Program Design, Giving of Instruction, Evaluation of Learning and a Practicum. This program is open to individuals who are presently, or will be expected to conduct training in business and industry or in private and public vocational/technical institutions.

Total length of this program is 120 hours (4 courses of 30 hours each). A College Certificate is awarded on successful completion of the program.

INSTRUCTOR TRAINING PROGRAM*

This program is an advanced training program. The first level includes three courses from the Train the Trainer Program; namely Program Design, Giving of Instruction and Evaluation of Learning, plus the second advanced level which includes four additional courses: Adult Development and Education, Instructional Media Use, Evaluation of Instruction, and Introduction to Computer Support Applications. The courses may be taken in any sequence. This program is open to individuals who are presently, or will be expected to conduct training in business and industry or in private and public vocational/technical institutions.

Total length of this program is 210 hours (7 courses of 30 hours each). A College Certificate is awarded on successful completion of the program.

* All VCC employees, upon successful completion of any of these program courses will have their fees re-bated.

TERMINAL₁ y INTIMIDATED???????

The V.V.I. can solve your problem. All you need is fifteen short hours of instruction and that little keyboard will be working for you. Tailored to meet the needs of V.C.C. faculty, staff and administrators, course 2500, Introduction to Computer Support Applications covers:

- Introduction to computer concepts and terminology
- Use of the Prime computer network to help with your job
- Applications for microcomputers such as word processing
- A tiny bit of programming, to help your understanding of what computers can (and can't) do

Get together with a few of your co-workers and sign up. You'll meet people you may have only spoken to on the phone before. Next class:

TUESDAY SEPTEMBER 23rd

2:30 to 5:30 p.m.

and FOUR consecutive Tuesdays

Here's all you do to register: call 681-8111, local 210 and get your name on the list. As soon as we have enough people interested, the class will run. It's \$60 and these fees will be refunded, in full, once you've successfully completed the course. If needed, faculty can apply the one credit earned for this course towards the Instructor Training Certificate.

FROM THE COMPUTER NEEDS COMMITTEE

The September meeting of the Computer Needs Committee will be:

THURSDAY, SEPT. 25, 1986 Room 3244 (Biology Lab) 2:30 - 4:00 p.m.

The meeting will consist of a demonstration of a Sony Data Projector. This is a large screen projector that will permit an entire class to view the output from one micro-computer. It should prove to be an effective aid to modern classroom instruction. Come and see demonstrations of word processing, class record-keeping, and educational software.

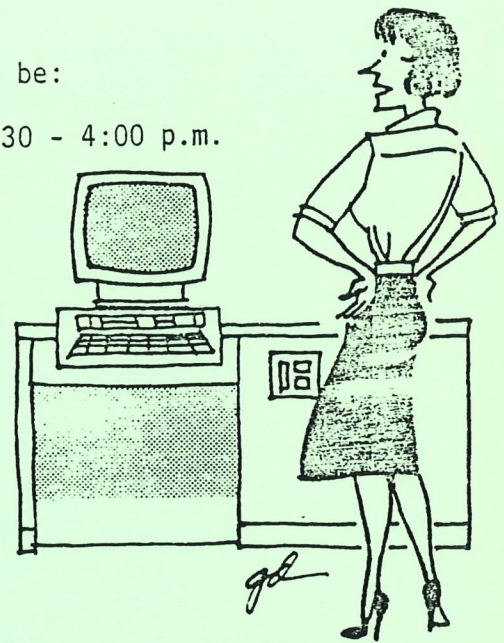

Please try to attend and bring anyone that you think would be interested.

The October meeting will deal with computer software acquisition and "cataloguing".

The Computer Needs Committee is preparing a database of computer expertise and interests at KEC. If you have not already received a questionnaire, please obtain one from your department head.

If you have any questions, please call Margaret Mackenzie at - local 567.
