## ADMINISTRATORS SLAVE AUCTION

There is only one week until the **BIG AUCTION!!!**  
Have you decided which administrator you would  
like to have working for you?? I have!

Remember that the best way to insure that you will have the administrator of your dreams (ha ha) is to pool your money with others in your department and bid together. This will also give the **SLAVE** a lot more work to do, having to service an entire department. The following administrators have agreed to take part: (FOOLS)

- |                  |                |
|------------------|----------------|
| PAUL GALLAGHER   | PAT MULVIHILL  |
| WAYNE MATTHEWSON | CAM AVERY      |
| BRUCE MACLEAN    | BILL HILL      |
| MAX FLEMING      | ROSS CARTER    |
| GERRY SYLVESTER  | HARRY PANKRATZ |

Richard Pearce has had to decline as he will be out of town, but in his place he has donated for auction a greek dinner for 4 persons, to be cooked by himself in his home.

THE PLACE: K.E.C. CAFETERIA  
THE TIME: AROUND 6:00 P.M.  
THE DATE: THURSDAY, OCTOBER 16

So come and join me for a beer or two, some good chili or hotdogs and a lot of laughs. Who knows you may find yourself with a couple of hours of idle time one day soon.

ATTENTION: INSTRUCTORS & DEPARTMENT HEADS

The KEC Student Advisory Committee advise the following: In April, 1984, the King Edward Campus Student Association Executive committee members all resigned. Several of them urged the campus administration to assume responsibility for the orderly and effective offering of student activities at KEC. The Student Association fee of \$10.75 per term has not been charged KEC students since May 25, 1984. Instead, to this date, students pay an activity fee of one dollar for each month of their registration. The student Advisory Committee, a group of student volunteers, assists the Dean of Student Services in planning student activities and in spending the student activity fees.

Next week, a one-page survey of 11 questions will poll KEC student opinion regarding student government options such as (1) reviving the KEC Student Society (2) retaining the current Student Advisory Committee (3) establishing a new student council, or (4) no student association at all.

With your assistance, a good sampling of all students in this survey-of-the-whole can occur. A sample of the questionnaire with a sample of the answer card superimposed follows. It should be fairly easy to administer with your help. More detailed instructions will be found in your boxes next week. The actual questionnaires and answer cards will be available on the 4th floor adjacent to the staff mail boxes.

While initiated by the departing chairman, Bob Gauthier, I have been asked to take over the duties of the SAC chair for the present. In the interests of good student government, would you please assist students in the completion of this instrument and oversee the return to the box on the 4th floor.

ABE AND ESL AS PROVINCIAL ELECTION PRIORITIES FOR EDUCATION

As you know we are in the midst of a provincial election. Numerous issues have already been put forward by the candidates and their parties as being central to British Columbia's present and future well-being.

Adult education has not been mentioned.

The Advocacy Committee of PACE is anxious to have adult education's voice heard during the campaign, and elicits your help.

Adult illiteracy was identified as being a major issue for the PACE Board to address during its term of office. The Board's Advocacy Committee has taken this up and has been active in supporting the Adult Basic Education Association in its Project Literacy B.C. efforts. With the election call there is now the opportunity for all educators to become active.

You might carry out any of the following advocacy activities, either on your own or with friends or colleagues:

- 1) write a letter to your local candidates and/or to the political parties
- 2) attend an all candidates meeting and pose a question to the hopefuls
- 3) write a letter to the editor of your local paper
- 4) inform others of the issue and ask them to support it as suggested above.

This request of you is entirely non partisan. We believe all candidates and all parties should be asked to state their concern and support. If you require additional information on illiteracy in B.C., including the names of persons in your area who are directly involved with the issue,

please call the President of the ABEA-BC, Norma Kidd, at 467-6811 (o), 594-7262 (h).

TEAL is outlining its concerns and the questions that can be asked of candidates. These questions are also recommended to you. If you wish to obtain further information, call the President of TEAL, Ernie Hall, 228-4463 (o) or 327-4958 (h). (h).

INSTITUTIONAL EVALUATION AND SELF-STUDY  
VISIT OF THE EXTERNAL AUDIT TEAM

You have received the Report of the Institutional Evaluation and Self Study Steering Committee - in fact you contributed to its recommendations.

Next week the External Team visits all Divisions of the College and will attempt to validate those recommendations, and to confirm that there has been no "cover up". Appointments have already been made to visit certain members/areas of KEC and others are expected.

The Team will be on Campus on Wednesday or Thursday next week (15 & 16) so please welcome any strangers who you may see on those days. (It's a pity that it co-incides with United Way activities!). President Gallagher, in his memo to you, explained the manner by which you can get in touch with individual members of the visiting team. If in doubt, please phone Dick Strachan at VVI (681-8111).

PLANT AND BAKE SALE

Once again it's time to show off your baking skills. We will be holding a plant and bake sale on Wednesday, October 29th. All donations of baking & plants will be appreciated. Please bring them to Marion Farmer in student records before 10:30 on October 29th. I have also made 2 sweaters which will be raffled off. Tickets will be \$1.00 each. All proceeds from sale & sweaters will go to United Way.

CALENDAR REVISIONS

At the end of October we will be mailing the calendar revisions to 310 institutions and agencies in the Lower Mainland. We will also include a campus newsletter which outlines:

- registration dates/deadlines
- supplementary course or program information (not described in the calendar brochures)
- changes in admission policies and procedures (including assessments)
- special campus activities

Rather than prepare a multi-page newsletter, I would like to include lengthy information items as separate inserts. Articles should reach Lorraine Herlick, Counselling Department, by October 30th.

## REMINDER REGARDING TIMESHEETS

The timesheets for instructors, clerical staff and student aides should be submitted to the Payroll Clerk by noon on Thursday's. Anyone who fails to submit timesheets by the specified time risks the possibility of missing the payroll cut off and therefore may also miss receiving a pay cheque for that week.

Also, kindly ensure that the timesheets are completed in full. For those of you who handle instructor timesheets, kindly ensure that if the person is new, you include their address and social insurance number on the form. For clerical and student aide timesheets, the most common omission is the rate of pay and the account number. It is very time consuming for the Payroll Clerk to look up this information every week. Please, if you do not know your rate of pay and account number, call the Payroll Clerk at Local 733 who will be glad to furnish you with this information.

If you are clerical staff or a student aide and are receiving the yellow computerized timesheets, please use them. When completed, send BOTH THE YELLOW AND THE PINK COPY TO THE Payroll Clerk. DO NOT KEEP THE PINK COPY!

Thank you for your cooperation.

### 24-HOUR RELAY

Another VCC United Way 24-Hour Running Relay will be held 12:30 hours October 16th to 12:30 hours October 17th at China Creek Park (the track is located on the northwest side of KEC).

The Run is held on an annual basis to help raise funds for this year's United Way Campaign. Again, the campuses will be entering their respective teams.

We need your help to keep the baton moving continuously throughout the 24 hours. Please enter your name on the running board to run on the track 15 minutes to 1 hour. Please be sure to honour your commitment to run by showing up on the track at your scheduled time.

As a runner, you will need to pick up a pledge form (additional pledge forms are available at the KEC Counselling receptionist desk). Please return the pledge forms to the KEC Counselling receptionist desk by noon, Wednesday, October 15th.

Note that the pledge is for the total distance the team has run (usually not more than a maximum of 200 miles). Thus, a pledge of 1¢ per mile at a maximum would be a \$2.00 pledge.

Friendly competition amongst the campuses, departments and individuals for a total distance run is encouraged and prizes will be awarded.

Volunteers are needed to count the number of laps run by the campus team. For your comfort, a support van will be located at the southeast corner of the park. Please sign up on the volunteer board.

For further information, contact Thorne Husband, KEC Counselling Department (local 483) or Jay Strachan, Central Administration, Buildings and Grounds Department (local 313).

**DIESEL CHALLENGES AUTOMOTIVE AND AUTO BODY TO RAISE THE MOST AMOUNT OF MONEY IN PLEDGES. HEAVY TRADES PUTS OUT A CHALLENGE TO THE REST OF THE COLLEGE.**

### WHAT'S IN A NAME?!

The testing instrument that students have come to endure and hate under the name of the English Placement Test is a victim of progress. Henceforth, it will be known as the Language Proficiency Index. The inaugural sitting will take place on the Langara Campus on Tuesday, November 04 at 7:00 p.m.; pre-registration at the Langara Campus by October 22. The fee remains \$20.00 and the purpose and format remain unchanged.

Please inform all interested students.
