UNITED WAY CAMPAIGN

Target:	\$10,000
Received to date:	<u>3,000</u>
Yet to go:	<u>\$ 7,000</u>

After ten days of the United Way Campaign, we have received \$3,000 in pledges thanks, in part, to a \$1,200 gift from the Student Advisory Committee. We have \$7,000 to go before we reach our target of \$10,000. Please remember that the United Way embraces 86 worthy organizations, all of which add to the quality of life in the province. Also consider:

- 1 out of 3 people will use the services of the United Way
- only 2% of campaign costs are used for administration.

Please give generously so we can reach our target of \$10,000. Thanks.

B.M.W.

Give like you've never given before!

MEMO

to KEC Instructors
from KEC Student Advisory Committee
date October 16, 1986
subject KEC Student Opinion Survey

We need your help. Getting an accurate and reliable sense of student opinion on the form of student governance is not easy. We want as much participation as possible. We are asking for your help in circulating the green questionnaire and the computer scan answer sheets to the students in your classes. It only takes 5 minutes to complete. We want responses to three possible options for future student government.

Questionnaires and answer forms, along with brief instructions are available on the 4th floor next to the mail boxes. Will you help us get an accurate picture of student opinions and reaction? Part-time, full-time and half-time students all deserve a voice and must be heard from.

While this is not a referendum, it carries considerable weight and influence for future planning and direction.

Will you help us with our survey, please?

Colleges and Institutes

WHAT IS BCAC?

It is a voluntary Association of 16 B.C. College and Institute Boards. It represents the interests and furthers the cause of public post-secondary education in British Columbia.

IS IT NEW?

BCAC was first organized in 1966, the year B.C.'s second two-year college, Selkirk, was established. Now in its 20th year, the Association has seen the tremendous growth from BCIT (1964) and Vancouver Community College (1965) through to the current 15 colleges and 5 institutes located throughout the province.

DOES BCAC HAVE LEGAL STATUS?

BCAC was incorporated by an Act of the British Columbia Legislative Assembly in June 1976.

WHAT DOES IT DO?

- It promotes public interest and support by public information campaigns such as the annual College Week.
- It provides opportunities for exchanges of information between representatives of colleges and institutes.
- BCAC represents the members in discussions with the B.C. Government and Minister of Post-Secondary Education.
- It fulfills an information and liaison role for individuals and groups concerned with the governance and administration of colleges and institutes.

WHAT IS THE RELATIONSHIP WITH THE MINISTER OF POST-SECONDARY EDUCATION AND HIS MINISTRY STAFF?

Traditionally, Ministers of Post-Secondary Education have addressed those present at the Association Annual Meetings.

In recent years the Minister of the day has held regular question and answer sessions with Board members.

Ongoing contact with the Minister and his Office is maintained by BCAC Executive members.

Regular discussions are held with the Assistant Deputy Minister (Colleges and Institutes) and his senior staff.

WHAT ARE THE CURRENT ISSUES?

- Funding!
- Ensuring, in the midst of major changes in our occupational structure, that appropriate and sufficient training and educational opportunities are available to British Columbia residents.
- Demonstrating that colleges and institutes can make significant contributions toward economic renewal in the communities they serve.
- Recognition of the importance and opportunities in international education for this Pacific Rim-oriented province which is within one of the world's major economies based on international trade.

HOW DOES BCAC COMMUNICATE?

Six times a year the Association publishes "BCAC Bulletin" with current information on events and people involved with colleges and institutes.

WITH WHAT OTHER GROUPS IS BCAC ASSOCIATED?

BCAC is in constant contact with the B.C. Council of College and Institute Principals, is a member of the Business Council of B.C. and Public Employers of B.C., and has regular liaison with: C-IEA (Faculty), CFS - Pacific Region (Students), BCSTA (School Trustees), and UCBC (Universities); and with many other organizations.

OTHER COLLEGE GROUPS?

BCAC is a member of ACCC (Canadian Colleges) and ACCT (Board members), and maintains contact with AACATO (Ontario) and OCCA (Oregon).

WHO PAYS FOR BCAC?

The members are levied annual dues to cover the costs of operations.

INNOVATION ABSTRACTS

Once a week your division chairman, the Library and I receive copies of INNOVATION ABSTRACTS sent to us, courtesy of Grant Kelly. They are: published by the National Institute for Staff and Organizational Development; supported by the S.K. Kellogg Foundation; and distributed by the Community College Leadership Program at the University of Texas.

From time to time when I receive an Innovation Abstract which I consider might be appropriate and applicable to instructors in all three divisions, I have it reprinted in the King Edward Times. NISOD would like to gather information about potential authors and about newsworthy items for reporting in the Abstracts, so as to facilitate an international network for improving teaching and learning. If you are interested in contributing, please let me know.
