## HEART SAVER FOR KEC/CE/CA EMPLOYEES

In the hope of seeing one employee in every department or office on this site trained in basic CPR, your local Health and Safety Committee has arranged, through the help of the Continuing Education and College Resources divisions, to provide a special four-hour **HEART SAVER** course, free of charge, to KEC/CE/CA employees.

**HEART SAVER**  
**MONDAY, JANUARY 19, 1987**  
**12:30 p.m. TO 4:30 p.m.**  
**ROOM 5025**

**HEART SAVER** is a four-hour course for people with no health care background. You will learn recognition of, and how to deal with heart attack. Performance skills include one person CPR and management of a conscious choking person.

Registration is without charge, but is limited to twenty participants. We will not, therefore, be able to accept more than one applicant from each department.

Application will be made by means of receipt of a duly completed and approved Leave of Absence from Duty form. Registration will be confirmed on a "First Come, First Served" basis.

If your registration for the course is confirmed, be prepared to dress casually and put in four full hours of "active" participation.

S. McClure

**NOTE: ONLY A FEW SPACES LEFT!!**

### PHARMACY TECHNICAL ASSISTANT PROGRAM

The new Pharmacy Technical Assistant Program, which prepares students for employment in commercial and/or hospital pharmacies, commenced January 5, 1987. Considerable curriculum development work, drawing upon the expertise of practitioners in the field and the valuable advice and assistance of the Program Advisory Committee, has culminated in a comprehensive and technically up-to-date program unique in this province.

Negotiations with private sector firms have resulted in excellent cooperation and donations from two firms (Zadall Systems Group Ltd. and Pharmacom Systems (1986) Ltd.) to install computerized pharmacy system software and support to an approximate total value of \$15,000.

Other VCC supporting functions, such as the Purchasing Department and Information and Computer Services, were extremely helpful and efficient in their assistance to launch the new program under very tight time and resource constraints.

W. Walter Behnke

### FROM THE LIBRARY

The library is back to regular hours this week after a much needed and well-deserved break. This week, we are paying tribute to a beloved Canadian writer, Margaret Laurence. There is a special display of her books in the entrance to the library.

The Provincial Media Centre through the Knowledge Network is broadcasting a series of 25 programs on Canadian Literature. Each 15-minute program discusses the work of one writer. Please ask us about the schedule of programs.

Those of you who are planning a vacation will be happy to know we have just received some new travel handbooks. These include:

- South American Handbook 1986
- Hawaii on \$35. a Day
- Fodor's Soviet Union 1986
- Fodor's Caribbean 1987
- Fodor's People's Republic of China

### FACULTY & STAFF ARE INVITED TO...

CONSULTATION ON COLLEGE, COMMUNITY & RELIGIOUS INSTITUTIONS

Wed. January 21      4:00 - 5:30 p.m.      Rm. 2145

Sponsored by the Anglican/United Chaplaincy Advisory Committee.

L. Soga

WHEN IT'S AN EMERGENCY ...

One of your students is having a seizure, or has fainted, or has battery acid in his eyes, or is severely injured. **How do you get help?**

In a health emergency it is important to phone the **campus emergency number (local 777)** as soon as possible. **DO NOT** leave the ill person alone - have someone else call for you - remember to give your room number, a brief description of what is happening, and mention if the person has severe bleeding, severe chest pain, or is having difficulty breathing.

The **777** number is answered in priority to all other calls and the nurse, security, and a first aid attendant will all be immediately notified to come to assist you.

In an emergency **PLEASE DO NOT** call local 209 (nurse's office), and please **do not** send someone running to the nurse's office. The nurse may be out of her office, or may be involved with a patient and unable to answer the phone. This can cause a delay of several minutes and possibly serious consequences for the ill or injured person.

All campus phones should have a yellow sticker fixed to them with the emergency number. If you know of a phone with no sticker, please contact security and they will provide one for you.

**REMEMBER - FOR HELP IN A HURRY, CALL 777.**

College Health Nurse

COOP RADIO SHOW: CHERNOBYL, THE AFTERMATH

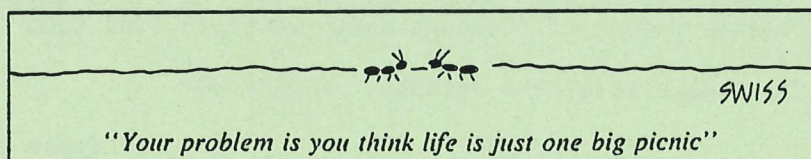

Tune in on **Wednesday, January 21st at 8:00 p.m. to Ecowatch.** The show will study the local response to the fallout in Konstanz, West Germany. Estimating delayed consequences will also be discussed. Show by yours truly.

Joyce Jarrett

ON VACATION

I will be on vacation from **January 19 to February 13 inclusive.** Please refer any matters regarding budget to G.A.R. Sylvester, any matters regarding room usage to Fanny Yip.

Shirley Girvan

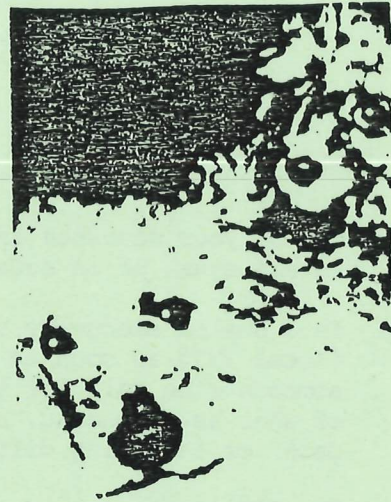

HELP THE PETS - SUPPORT THE JAN. 20 BAKE SALE

To date we have been successful in helping with the placement of five dogs from the SPCA. These dogs had been there between three weeks and almost 2 1/2 months and their time was quickly running out. They are:

1. No. 49 - the sweet little female dog with the sad eyes who went walking with the walk-a-thon and then visited with everyone at our social activity that night. She made a good impression and was adopted the next day.
2. Trixie - the gorgeous female German Shepherd who was adopted by Betty Nobel. Trixie is a companion to Betty's lovely children and is now very spoiled.
3. The German Shepherd-cross whose picture appeared in the Highland Echo newspaper (with Joyce Jarrett and Myrna Redman). We advertised we would pay half the adoption fee. He went to a couple, with two children, who had just bought a new home with acreage in Langley.
4. The friendly beagle-cross for whom we paid half the adoption fee.
5. Prince, the German Shepherd-cross who was a particularly good friend, and whose picture also appeared in the Highland Echo with Joyce Jarrett and Myrna Redman. After being at the SPCA for two months and one week (his days were really numbered) Prince was driven to a wonderful new home in Langley. The couple and their four boys just love him. We paid half his adoption fee as well.

Now need your support to continue to help the dogs, and cats, on "death row".  
Propose to pay for the adoption (or part of the adoption) and advertise these  
until a good home is found. (We are very particular to whom these animals  
go.)

We are having a bake sale on Tuesday, January 20 from 9:45 a.m. (until we run out of baking goods). This will take place in the student non-smoking area of the cafeteria (next to the Security Office). Please support our bake sale by bringing in baked goods and/or by purchasing others. (Baked goods can be dropped off at the student lounge.)

All cash donations to our fund will be greatly appreciated.

Special thanks to Nancy Mason, from the "Mercy Volunteers for Animals" for her advice and for paying for the other half of Prince's adoption fee. (It costs \$55.00 to adopt a male dog and \$60.00 to adopt a female dog; this cost includes a medical examination, an identification tattoo and neutering.)

Special thanks to Nancy Suzuki of the Highland Echo for her excellent article.

A special thanks to Michael Weeks of the SPCA and his devoted staff who took such super-patient care of the dogs until we could find them a home.

See you at the bake sale next Tuesday, January 20!

Joyce Jarrett (Local 574)

Myrna Redman (Local 732)

# K.E.C. FACULTY/STAFF ACTIVITIES

Nic Morelli	Develop a set of criteria for the selection of reading passages; find examples of current materials appropriate for each of three reading levels; develop sample exercise packages for classroom trial.	Jan. 05-23
Walter Behnke	Reading on Human Resources in Higher Education Institutions.	Jan. 12
Pat Sproston	Visit shops and high schools to update in new repair methods and research industry's needs for training.	Jan. 12-16
Robert Caldwell	Attend Part III of Management Skills for Supervisors course (administrative skills).	Jan. 13-15 + Feb. 16
M. Waddington	Provincial Steering Committee Meeting.	Jan. 15
Jean Cockell	Attend meeting of ABE Math working committee.	Jan. 16
Starr Owen	Attend Math Articulation Meeting.	Jan. 16
Maureen Dorratt	Heart Saver Course.	Jan. 19
Marion Farmer	Heart Saver Course.	Jan. 19
Myrna Redman	Heart Saver Course.	Jan. 19
Paula Rogers	Heart Saver Course.	Jan. 19
Fanny Yip	Heart Saver Course.	Jan. 19

Correction: Last week's Times should have read 1/4 time re M. Mackenzie's leave.

M. Redman

"I understand you have an awfully large class this term. . . ."

**COPYRIGHT**

The problem of copyright has raised its ugly head again.

Some instructors are neglecting to sign the copyright restriction/permission line of the Duplicating Requisition (see below). As a consequence, the requisitions are being returned to instructors without the duplicating being done. This wastes the valuable time of both the instructor and the duplicator.

**VANCOUVER COMMUNITY COLLEGE  
DUPLICATING REQUISITION**

**IMPORTANT:** 1. Requisitions without proper account number and authorized signature **will not be processed.**  
2. Print instructions neatly and thoroughly.

WALLET-SIZE EMERGENCY CARDS

By popular request these have been updated. All instructors will get one in their mail-box. Should you require one, contact Information at local 230.

The card is two-sided. One side shows what to dial for **EMERGENCIES** and how to contact **SECURITY**. The other side has the **D.I.D. Night Numbers**. The new cards are blue; throw away your pink one!

D. Moutter
